Saints split contests

The Stouffville Saints bantam A girls did the splits in a Richmond Hill softball tournament July 13.

The Saints split a pair of games edging Richmond Hill 6-5 and losing to Newmarket 19-7.

In the loss to Newmarket a nine-run blitz in the fourth effectively sealed the Saints' fate. However, in the Richmond Hill contest the girls proved their potential. Pitcher Lynn Taylor was called up from the Markham Novice team to help out Lynda Belisle, Stouffville's starting pitcher for the Richmond Hill contest.

Both teams were scoreless after two innings. A major factor in the Richmond Hill batting freeze was Belisle. Her double-play to first base in the second inning shut out the host squad on a three-out call.

Lisa Weatherill initiated a two-run rally in the third outing taking advantage of a first base error. Debra Surman also scored after being walked.

Richmond Hill managed to tie the game on two second-base errors in the third and fourth innings.

Both teams ran neck-and-neck in the fifth scoring three runs respectively. Surman, Amanda Devlin and Catherine Dunkeld came home for Stouffville.

With two out in the sixth, Kelly Watling singled and eventually came home to score the winning run.

Taylor pitched a strong final inning against the Richmond Hill squad. She struck out three consecutive batters to maintain the victory.
