Markham boys win 2nd soccer tourney

It seems Markham's Colangelo Bros. Minor Mosquitos enjoyed winning a soccer tournament so much that they've gone out and done it again.

The squad's first tourney championship was in Stratford last month. Last weekend they repeated the feat by taking four of five games and the championship of a Peterborough tournament.

Markham opened the two-day competition with a 4-2 triumph over Agincourt. After a 1-1 first-half draw, Markham found the range three times in the second frame before the opposition could reply with its second and last tally.

Stuart Currie paced the offence with a pair of goals. Chris Yap Young and Scott Candlish netted singles.

The Scarborough Maple Leafs, thought of as the championship favorite, handed Markham its only defeat with a 4-0 final score.

But the squad needed only to finish in the top two spots in its four-team division to qualify for further play. And that goal was accomplished with a sub-par effort which was still good enough to beat Burlington 5-3.

Markham took a 3-1 halftime lead, but let it slip away when sloppy play allowed the opposition to knot the count. However, the team finally got its act together with a pair of tallies in the final 15 minutes.

This time Sloan led the way by scoring a hat trick. Currie and Yap Young contributed singles.

On Sunday morning netminder Adam Lamarre earned the shutout as Markham blanked West Rouge (winners of the other division) 4-0 and entered the final against the Maple Leafs.

Candlish booted the first two markers with shots from outside the 18-yard box. Currie connected for the third on a break

through the middle. Candlish then completed his hat trick on a passing play between him, Currie and Evan Armstrong.

According to coach Greig Candlish, the club came up with its best performance in four years to knock off the Maple Leafs 3-1.

After a scoreless first half, Candlish headed in a David Breau corner kick to open the scoring. Curring netted the second tally, then the opposition applied some pressure and closed the gap to 2-1.

Yap Young put the game out of reach by taking a wide clearing pass and putting the ball home.

Strong defensive work came from Breau, Armstrong, Lorne DeCastris, Neil Kayes, Roger Barrett and Andrew Eppich.

League action saw the club continue to stretch its season-long unbeaten streak to eight games with a 6-1 decision over Woodbridge. Breau, Sloan, Yap Young, Currie, Candlish and Olive Jerschow did the scoring.

Markham plays its third-round Ontario Cup game 2 p.m. this Sunday, taking on Kitchener at Centennial Park.
