

Special honor

Markham Mayor Carole Bell admires the certificate she presents to John Lunau, former curator of the Markham Museum. The 'Friends of Heritage' certificate comes from the National Parks Centennial Citizens' Committee, and is awarded to those who make outstanding contributions to the heritage of their community. Known as 'Mr. Markham' to many people, Mr. Lunau is a walking encyclopedia of local history.

PUBLIC MEETING

Proposed Official Plan Amendment
Tuesday, September 3, 1985, 7:30 p.m.
COUNCIL CHAMBERS, MUNICIPAL OFFICES,
BUTTONVILLE, ONTARIO
8911 Woodbine Avenue, Markham, Ontario

A Public Meeting will be held by the Planning Committee of the Council of the Corporation of the Town of Markham to consider a proposed Official Plan Amendment under Sections 17 and 21 of the Planning Act as well as a proposed Tertiary Plan.

The proposed tertiary plan includes an area bounded by Highway 7 to the north, McCowan Road to the east and the Rouge River valleylands to the west and south. The lands within this area are generally designated Commercial to the east and Urban Residential to the west, apart from the lands which are designated Hazard Lands (Flood Damage Centre). Several applications have been made to permit special commercial development in the area (Snow Glen Developments, Elliot M. Sud, Portsmouth Financial Corporation, and Sigma Grange).

Some of these proposals require redesignation from Urban Residential to Commercial which is one of the purposes of the Official Plan Amendment. Furthermore, the proposed Official Plan Amendment and the proposed tertiary plan would establish criteria and policies for developing the area for special commercial use and would address matters such as integrated traffic circulation and parking areas, minimizing the number of access points to Highway 7, tree preservation, retention of architecturally and historically significant buildings and unified site planning and design of buildings in the area.

The purpose of this meeting is to ensure that adequate information is made available to the public and to afford any person the opportunity to make representations in respect of the proposed tertiary plan and Official Plan Amendment. If you are unable to attend the meeting, your representation can be filed in writing either by mail or personal delivery to reach the office of the Planning Director not later than September 3, 1985.

The proposed tertiary plan and Official Plan Amendment and additional information relating thereto are available for inspection in the Planning Department, second floor, 8911 Woodbine Avenue between the hours of 8:30 a.m. and 4:30 p.m., Monday to Friday, or further information may be obtained by telephoning the Planning Department at 477-7000, extension 224 during the same hours.
