Winning pitcher!

Stouffville Stinger pitcher Liz Crittenden winds up for a smoker during league play this season. Crittenden captured Most Valuable Pitcher honors in the Provincials at Norwich last weekend.

# Saints must tighten up with finals near

Toronto Blue Jay manager Bobby Cox once remarked, "We gave it to 'em...you generally don't win games when you walk 11 guys."  
 The Stouffville Saints bantam "A" girls learned that lesson the hard way. The softball squad lost two in a row before defeating Don Victoria 8-3 Wednesday night.  
 East Gwillimbury and Richmond Hill handed the local club its double defeat early last week with 18-11 and 9-3 counts respectively.  
 It was definitely not a good week on the mound for pitchers, the opposition included. Saints pitcher Lynda Belisle gave 14 free passes in total for both games. However, East Gwillimbury's Jodie Whitton almost tied that blunder with 11 in the one contest.  
 But errors don't always dictate winners.

strong sluggers put the points on the board. Saints coach Cliff Dunkeld has been saying that for years.  
 Short-stop Vicky Smith sustained that coaching philosophy with a three-run homer and a two-run double off Don Victoria pitcher Robin Milne to cap the Saints lone victory. Smith also made a great defensive double-play in the third to end a potential D.V. rally.  
 Belisle was impressive on the mound delivering a four-hitter, and third baseman Shawn Morrison came home for two.  
**NOTE:** Dunkeld says he plans to organize a pitcher-catcher clinic next spring to hone promising young talent. The Stouffville coach will certainly need it after five of his players jump ship next year to a higher age group.

**MARKVILLE TOYOTA'S ATHLETE OF THE WEEK**

Art Latimer of Markham, goalie for Parkway Honda, had 2 shutouts as his team won the 45-B division at the Masters Games.
