STELLAR
GIVES YOU A CHOICE:

HANDS ON

The choice is up to you. Manual or automatic. If you prefer to travel without shifting gears, Stellar offers the option of an automatic transmission with a console-mounted selector. Your ride is beautifully smooth, as you'd expect from the remarkable Stellar.

If instead, you enjoy the thrill of shifting gears, Stellar comes with a close-ratio, five-speed

manual transmission as standard equipment on both models. Very sporty.

On one point, however, there is no choice. Every Stellar delivers outstanding value for your money!

Every Stellar comes with Michelin all-season, steel-belted radial tires as standard equipment. Side window demisters, child-proof rear door locks, cut-pile carpeting and rear seat

heating ducts. All standard. No wonder we call Stellar the one with all the extras that you don't pay extra for.

To test drive the new Stellar with automatic or manual transmission, visit your nearby Hyundai dealer soon.
