

**Fatal car crash**

An Uxbridge teenager was killed Thursday evening when the 1981 Chev he was driving went out of control and rolled over on Conc. 7, south of Elgin Park. Michael Watson, 18, of Beech Street was pronounced dead at Uxbridge Cottage Hospital. A service was held for the victim Monday at Low and Low Funeral Home. Durham Regional Police listed the Watson vehicle as a write-off.

**Man jailed two years in break-in**

UXBRIDGE — A 20-year-old Uxbridge man has been jailed two years for breaking into a Port Perry gas station in June.

Benjamin Kloosterman received the jail term on a charge of break and enter with intent during sentencing at Whitby district court, Aug. 28.

Kloosterman received six month concurrent terms for each charge of possession of house-breaking tools and being in possession of stolen property over \$200.

A charge of break, enter and theft was withdrawn.

Durham Regional Police caught Kloosterman inside a Petro Canada station on Lilla Street shortly after midnight on June 30. Officers went to investigate the sound of a window window being smashed in the building.

I kept gaining and losing the same 20 pounds. Then I said, this time it's going to be different.

I tried every pill, every gimmick to lose weight. Only to feel miserable when I gained it all back. Finally I said no, never again. This time I'm going to Diet Center. I lost the weight, without hunger. And I'm keeping it off.

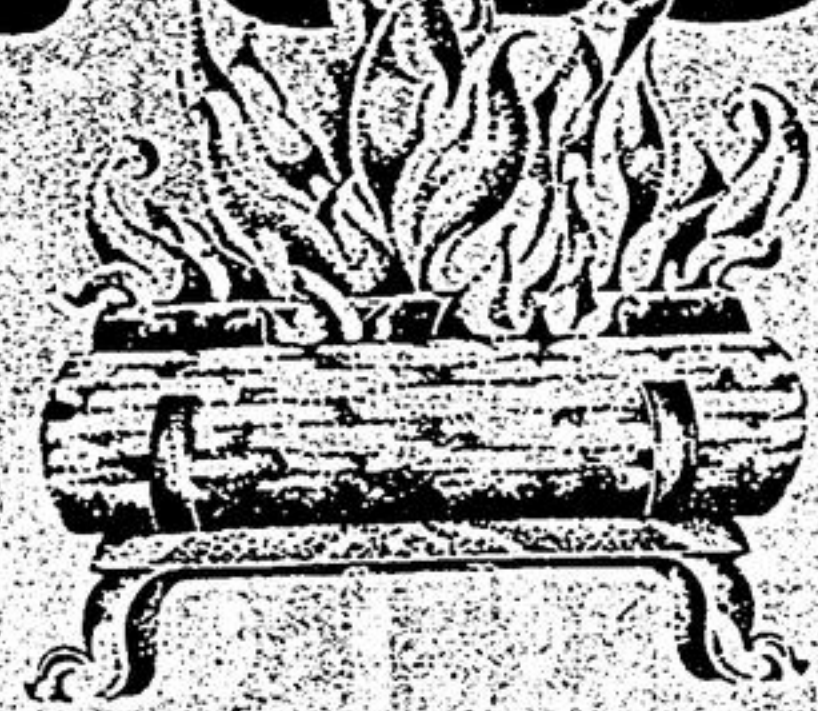

My only regret? Not going sooner!
