A Reflection of Perfection

Mirror, mirror on the shelf
No one's better than myself

You don't believe me, yes I know
You want it proven? Here I go.

I'm not too tall, I'm not too short
And that's the best of any sort.

My eyes are brown, my tan is slight,
Come on let's face it, I'm out of sight!

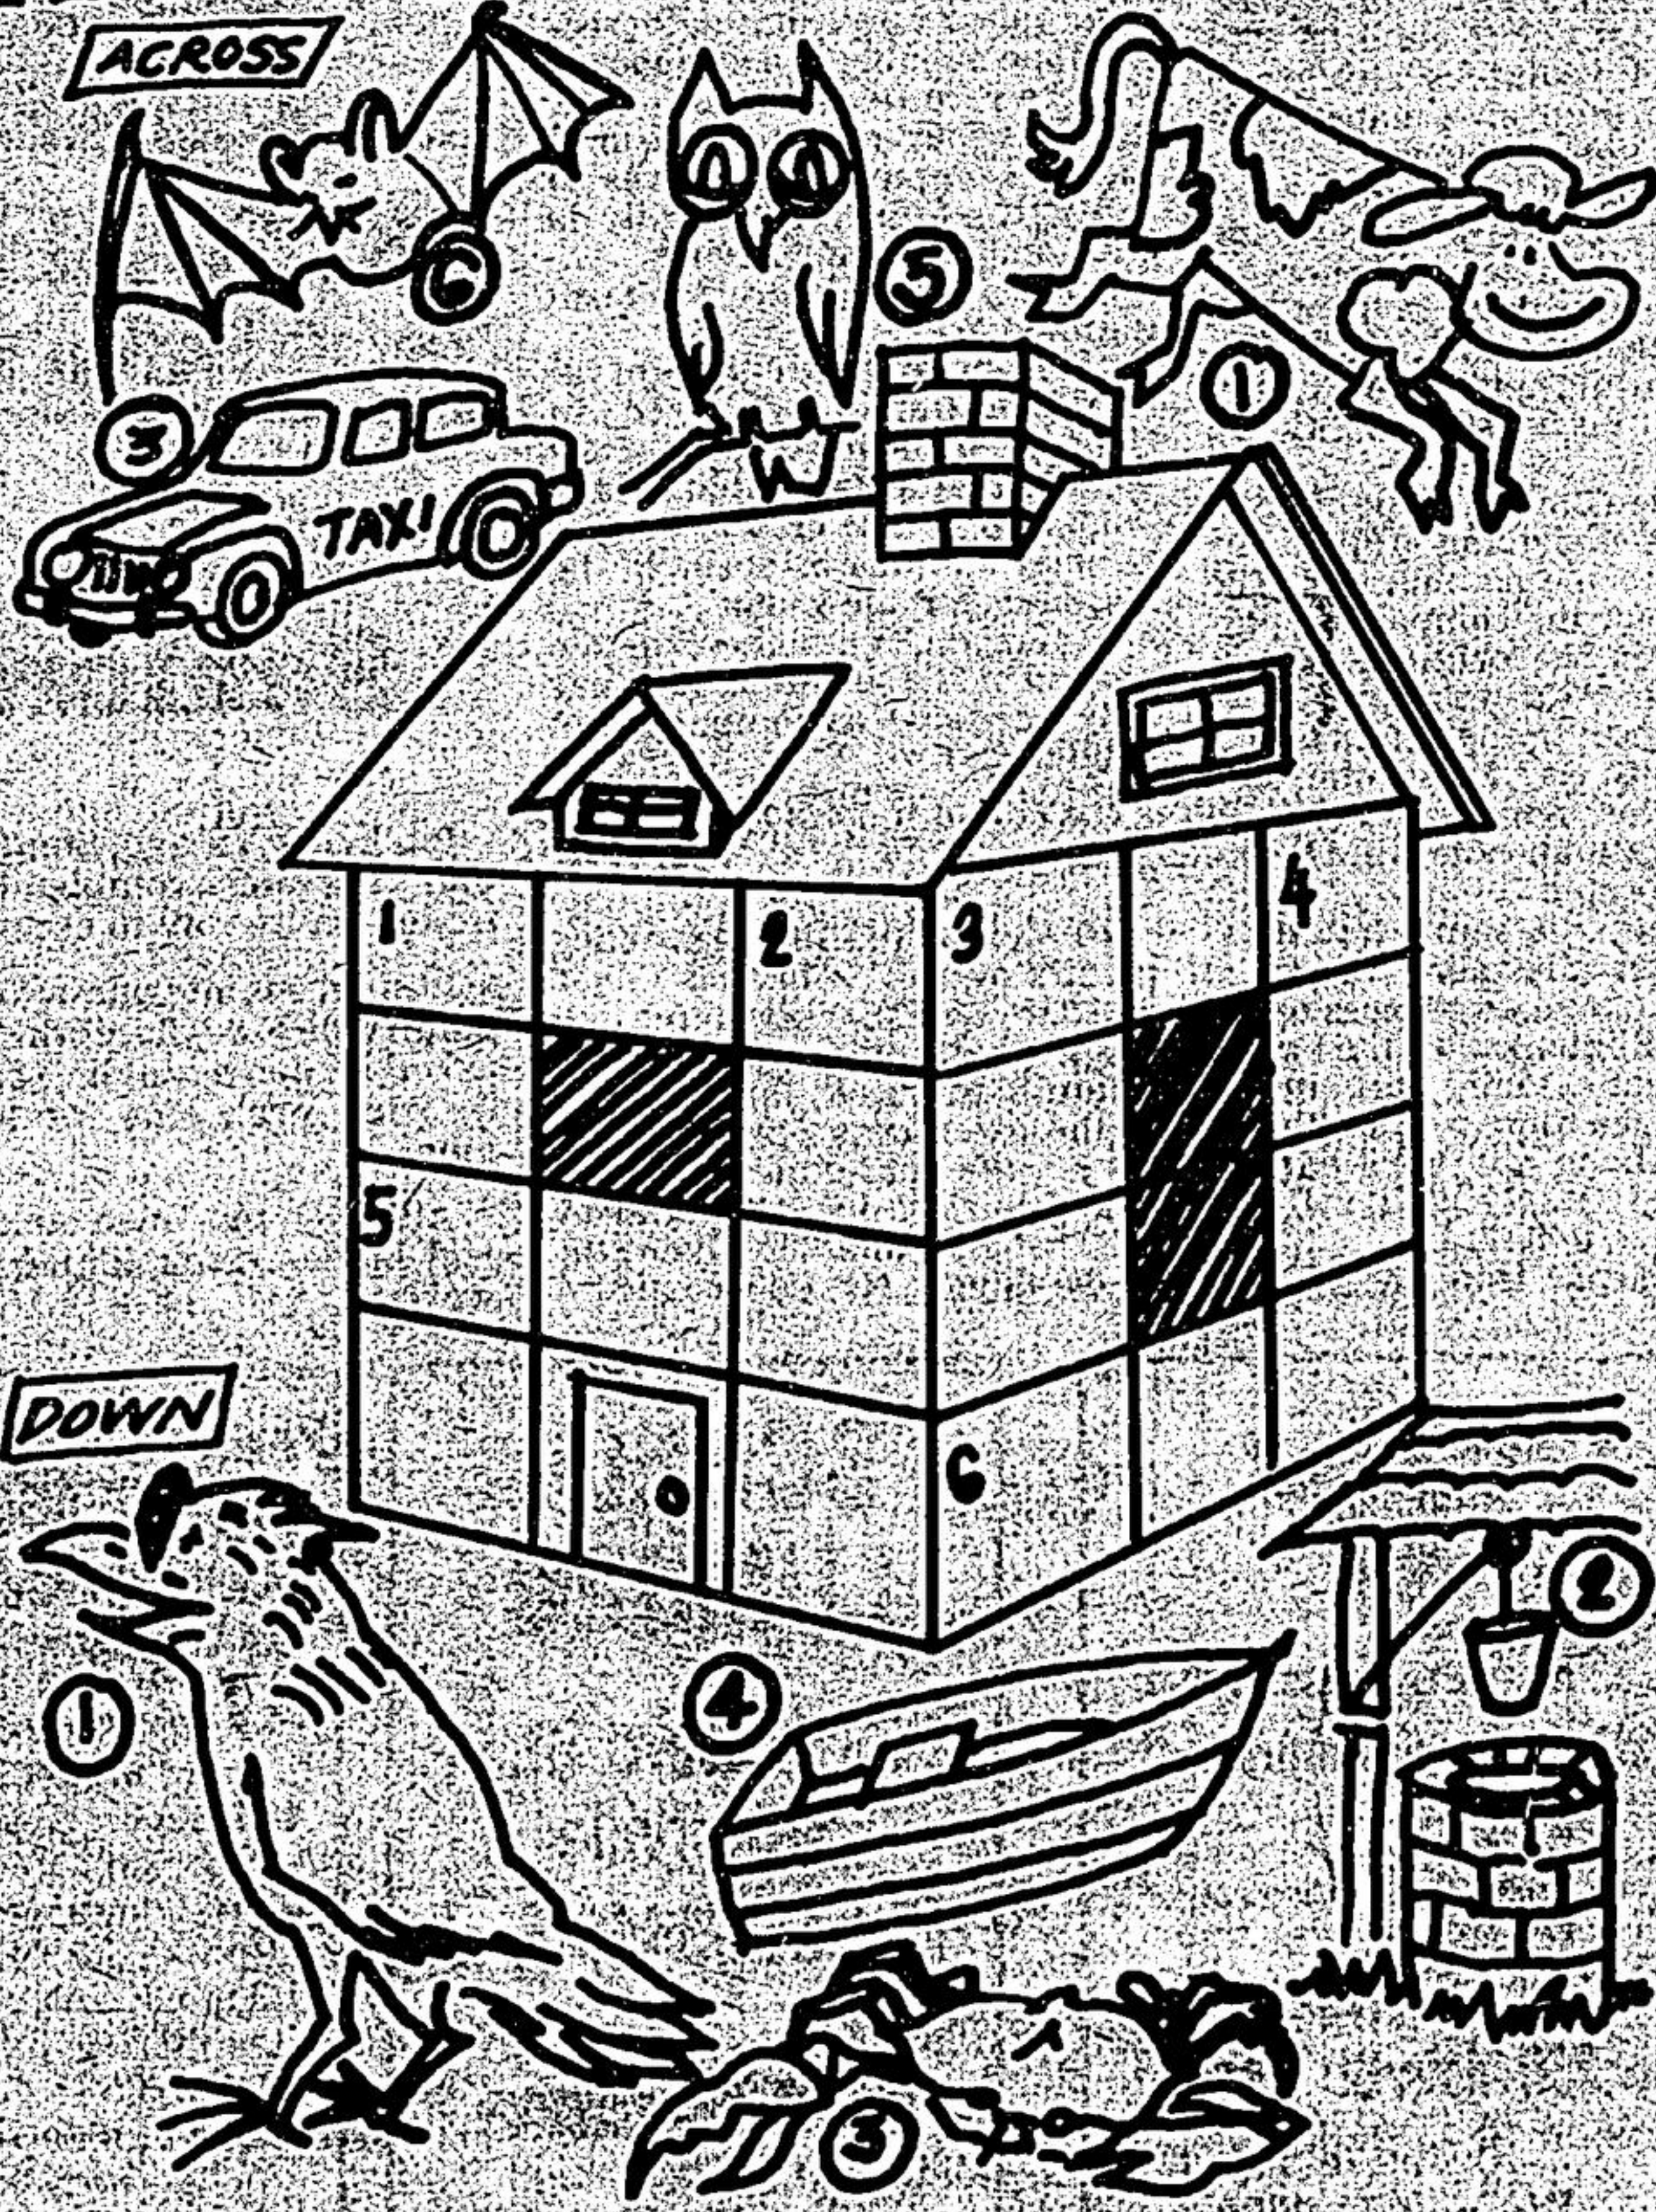

My hair is dark, my skin is fair,
But yours is nothing to compare.

And there you go the job is done,
So now you know, I'm number one!

I've proven now that I'm the best
And so you see, I've passed the test.

Gold fish tries hard

My gold fish can't eat two centimetres of fish food. But it can do a summersault in the water. It can't swim as fast as other gold fish can. It can't swim to the top of the water, but it can swim like a tornado in circles. It can't blow bubbles to the top of the water, but it can fight another gold fish. But it is the best gold fish I ever had.
