## NHL Oldtimers play our locals

The NHL Oldtimers take on our Stouffville Oldtimers at the new arena next Tuesday night at 7 p.m. Fans will get a chance to watch such past stars as Pete Conacher, Ivan Irwin, John Hildebrand, Johnny McCormack, Harry Pithery, Bo Elik, Bobby Lalonde, Harry Watson (coach), Bobby Baun and Carl Brewer teach our locals a lesson or two. Managing the team is John Lunau. The ex-NHL'ers will be practising at the arena tonight from 10 p.m. to 11 p.m. As well, there's an Oldtimers Hockey Tournament in Stouffville October 18 to 20.

**ALL SPORTS COPY IN NO LATER THAN NOON ON MONDAYS.**

## Extra innings Villagers force Eagles to dive

A stubborn Villager's squad defeated the Goodwood Eagles Monday night 8-7, to tie the final York Durham Slo-Pitch series 2-2. It took the Villagers 11 innings to pull off the win. Both men's teams slugged even throughout regular play. Goodwood had to come from behind to tie the game 7-7 in the ninth outing. In the bottom of the 11th, the Villagers drove in the winning runner to force a fifth and deciding game for the Championship. The sudden death final will be played in Goodwood tonight at 8 p.m. The Eagles are sponsored by Bruce Construction and Harman Plumbing. The Villagers are supported by Village Pools, Town Restaurant and Chesborough Ponds.

**Out of your Heating Bills with Red Top Blowing Wool!**

Don't pay more than you should for heating and cooling costs in your home. By insulating with Red Top Blowing Wool, you can minimize these costs for life!

**WHY BLOWN WOOL?**  
 Red Top Blowing Wool is applied over your current attic insulation and is different than most blown insulations. It does not settle and the R value we install remains unchanged year after year. Red Top Blowing Wool has a lifetime guarantee. It is virtually unaffected by insects, rodents, and moisture. And, added fire safety is provided by Red Top's much higher than average (200°F) melting point.

**LET THE GOVERNMENT "CHIP IN"**  
 Give yourself full coverage from top to bottom and relax in the peace of high energy costs. You and your family will reduce the difference in home comfort. And, by using the take advantage of the governments (CHIP) Canadian Home Insulation Program for taxable grants against the cost of labour and materials used in re-insulate residential dwellings. Funds for CHIP grants expire early in 1986. Act now!
