A LETTER TO OUR CUSTOMERS AND FRIENDS . . .

It's our **SIXTH BIRTHDAY** at THE KITCHEN DOOR — and we really have something to celebrate! We've just moved down the street to our lovely new home at 69 Main Street North in Markham Village — a two-storey century house — slate blue with a rich cream trim — and we would like to invite you all to drop in for a visit and our **GRAND OPENING SALE** starting Monday, October 21st and continuing to Saturday, October 26th.

There's lots new at THE KITCHEN DOOR — Evesham oven-to-table porcelain from Royal Worcester — two lines of cutlery to dress up your table setting — from France, stainless steel with handles in bright colours, and from Canada, Cutron Cutlery in both primaries and pastels — a two-tone effect to compliment your best china.

The Front Parlour of our new house has a marvelous assortment of placemats and napkins. Watch for the new Mosseri pleated mat. We've imported three new designs from Rosetree of Dallas. Our favourite is Victorian Ghintz — an old fashioned print in black and rose — reversible — and pretty, pretty Paisley is in — in everything — so we have some placemats in it too!

The Dining Room is full of everything for people who love to cook — bakers, terrines, tureens, cook books, fondue pots, flambe pans, as well as all the teapots and coffee makers we could fit in. Have you had a cup of coffee made in a plunger style pot? The Bodum Bistro coffee maker gives you a perfect, mellow cup of coffee every time — and the medium and large pots are **ON SALE** during our Grand Opening.

Don't forget to check on our cooking classes when you're in — most of the classes before Christmas are planned to help you entertain.

The Summer Kitchen is chuck-a-block full of gizmos and gadgets, pudding bowls, jelly moulds, cookie sheets and all the paraphernalia for baking and candy making. We have a Pantry at the side of our Summer Kitchen and the shelves are lined with delicious jams, jellies, mustards, relishes and sauces. Some new arrivals are Apple & Sage Jelly, Fiddleheads in Marinade, Three Pepper-Blast Sauce, and — for the sweet tooth — Canadian Delight — marvellous Maple with Canadian Rye. Sound good???

Our bath boutique has taken over the top floor. We think it is going to be one of the prettiest bath shops around. Right now there are still lots of boxes waiting to be unpacked, but it is going to be gorgeous! The new **FIELDCREST** colours have arrived — sun yellow, peacock, Spring green, cafe au lait, coffeebean, regal blue, hot pink and cobalt blue. Of course, the **OCTOBER SALE** of **FIELDCREST** is still on — **30% SAVINGS ON LUSTRE AND EXCELLENCE TOWELS AND LUSTRE MATS INCLUDING THE NEW COLOURS.**

New shower curtains — lots of double swags — new colours and patterns in accessories — great new shelves (some I bought at the New York Bath Show just came through the door as I type this) — towel racks — and something new for us — a whole rainbow of colours in cosy terry robes for after the bath. (Wrap-arounds for men, too.)

There are lots of **OPENING SPECIALS** — Sadler Teapots \$10.99 (reg. 17.00) — 20% off Bountiful Glass from Mikasa — 30% off Trosser manual coffee grinders — 20% off Evesham Porcelain — an introductory special on Emsa Coffee Servers — heavy chopping boards at \$16.99.

There will be more in-store specials, and during our "Grand Opening" week **THERE WILL BE 10% OFF ALL REGULAR-PRICED MERCHANDISE!**

Have you seen the new Donvier ice cream maker? No ice, no salt, no cords — it was the hit of the San Francisco Gourmet Show. It will be demonstrated in our kitchen on Tuesday from 11 to 3. On Thursday we'll have the ladies of the Junior League of Toronto introducing their new cookbook "Jubilation" and on Friday Joanna Sable of Sable & Rosenfeld foods will be here to provide tastes of their award-winning products.

Hope to see you.

Betty Keller

P.S. Don't ask why — but we have a silly assortment of telephones for your home — bananas and cucumbers and beer cans!
