

**CATHOLIC  
FRENCH SPEAKING  
SCHOOL  
HAS ITS BEGINNING!**

Dear Readers:

The Parents Co-ordinating committee for French School in York South is pleased to announce that junior and senior kindergarten classes (shared accommodation) are now available since September '85 at Our Lady Help of Christian School on Bayview Ave. in Richmond Hill.

At present the committee is lobbying the Roman Catholic School Board and Ministry of Education in order to obtain a school of our own in York South in 1987.

May we point out at this time that the current classes are not immersion classes but a French Language Centre, where at least 1 parent must be French speaking.

The committee has for the last 6 months strived to gather information, statistics and committed parents together in order to justify to the York Region Catholic Separate School Board the need for a first French language school in York South.

We have the commitment of the parents, and if we have not heard your opinion yet or, if you have not been contacted, please feel free to let us know.
