

Margaret Goodier will run for York Separate Board

Margaret Goodier would like to see more teaching of the Catholic faith in the Separate School system.

Running for Separate School Trustee in Wards one, two and seven, Goodier would like to see a return to the teaching and devotion to Our Blessed Mother and The Holy Rosary.

She promises to "continuously and aggressively" lobby the Ministry of Education to build more new schools, work for greater co-operation and communication with the public school board and for more parental involvement in the education system.

Goodier, a Registered Nurse, is a graduate of St. Michael's Hos-

pital. She has been a head nurse, clinical instructor and a staff nurse during her on going part-time employment in the field.

She's a 14-year resident of Thornhill with three children presently in the York Separate School system. She's volunteered her professional skills to many community organizations and is past-president of the York South Right to Life Association and the Ladies of St. Luke.

Other involvements include the Red Cross Blood Donor and Thornhill Block Parent programs, the St. Luke's Parish Council and as a co-founder and present treasurer of R.E.A.L. Women of Canada.

An ounce of prevention

Brad Friesen (left) one just one of the many pet dog and cat owners across York Region who took advantage of free rabies vaccinations for their pets last Saturday. Many veterinary clinics, including the Markham Village Animal Clinic took part. Here Dr. Al Thompson inoculates Snowball the cat.
