Students celebrate Halloween at St. Patrick's Separate School

There was a man walking home in the dark. He went in his house and saw a mouse, so he went to the store to get a trap. On the way he saw a big, black old house. It was scary looking.

The door opened it squeaked. He went in and got caught in a web. Some ghosts started to haunt him. Then on the right there was a goblin coming closer and closer.

Finally at the back of him and there was a witch stirring her brew. He looked everywhere and he was surrounded by creepy and gey things. When all that happened he realized that it was...

HALLOWEEN!

A witch comes flying

Over the river and through the woods,
Down a rocky mountain,
Over a feild of golden orange,
So colorful and bright,
Up and up around the moon,
To see an airplane fly,
The sky is dark,
And the stars are out,
Shining brightly in the sky,
And now she comes flying down,

With a big loud pound,
She walks a way with her broom,
To the tunnel of doom,
She sits down to take a rest,
And looks up to the moon,
The moon is full,
And the sky is dark,
The witch looks like a queen,
And it is Halloween

It's Halloween night

Tonight there will be pumpkins, Round, orange and bright,
The clock is striking the mid-

night hour,
Ghosts will creep left and right.
Andrea Kadis Grade 4

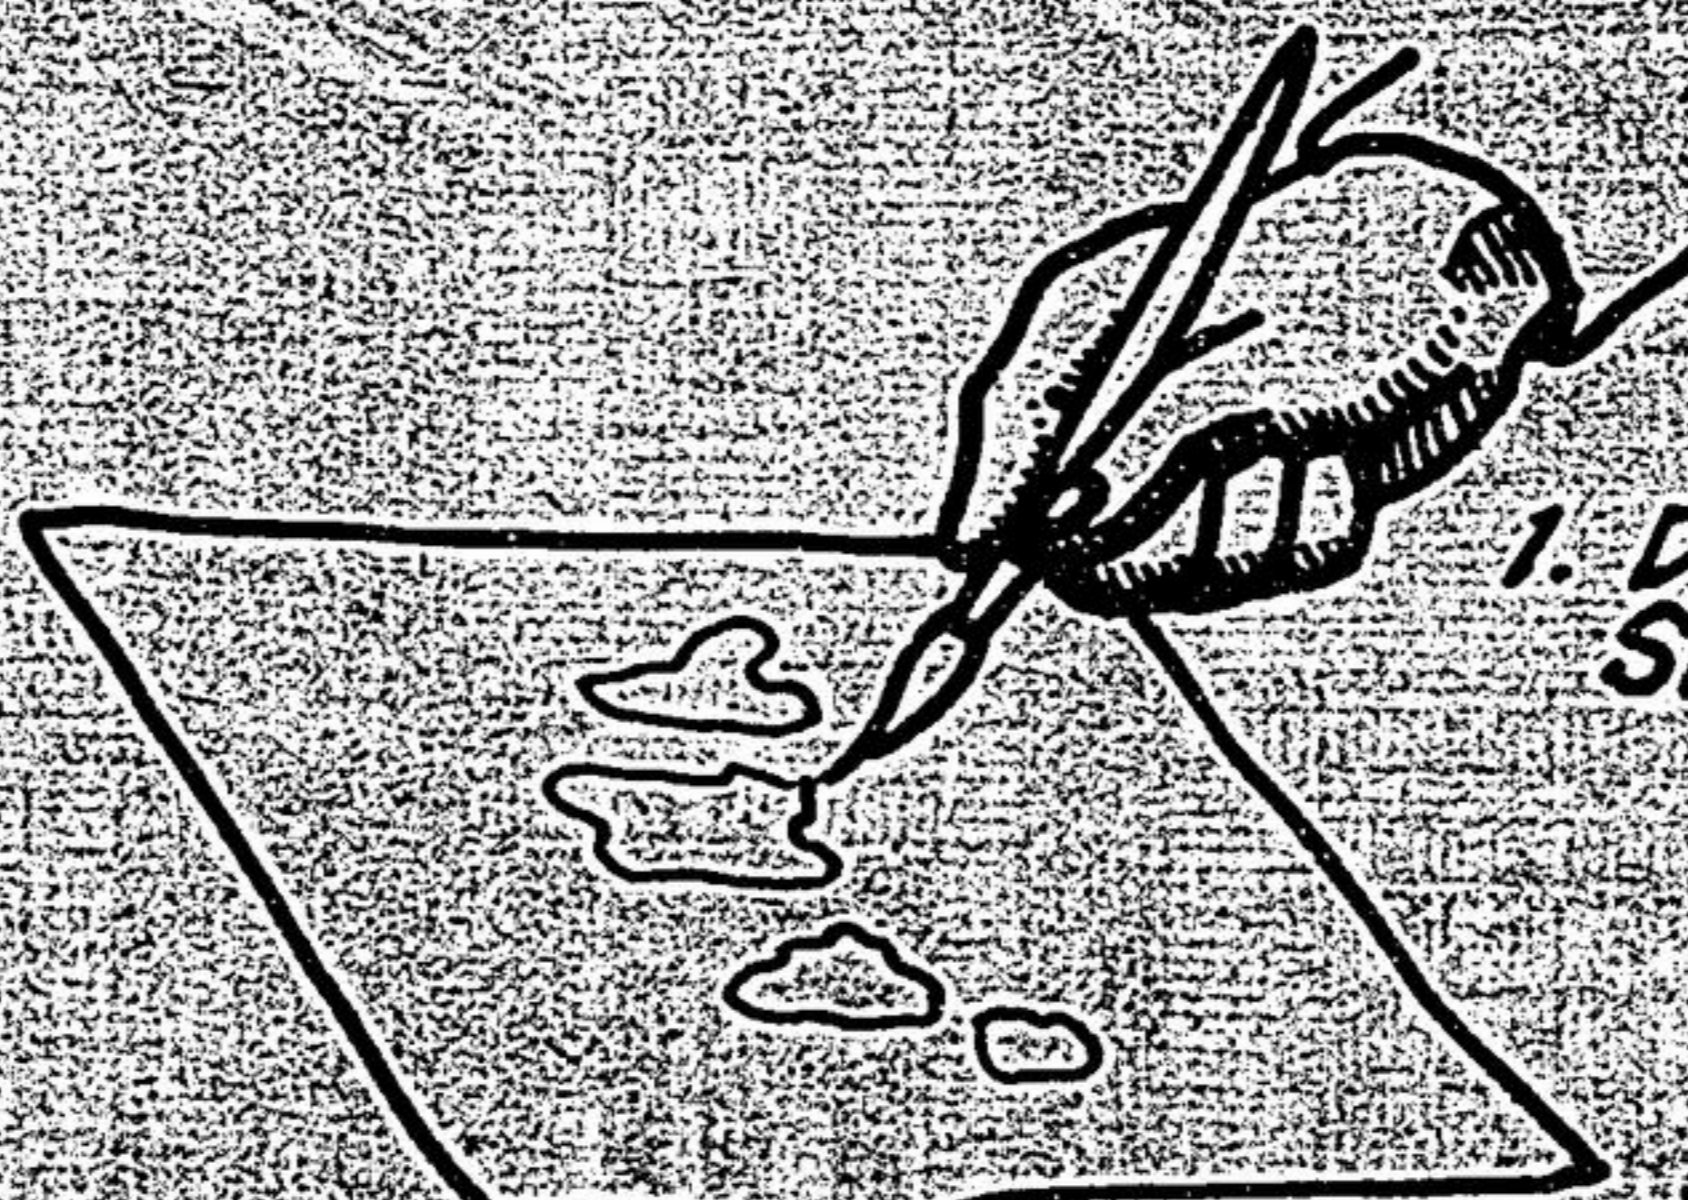

Sometimes ghosts say boo

Ghosts say boo,
Sometimes, you do too.
On Halloween night, you'll be there,
So you better get ready for that scare.
You shouldn't be scared too much,

At least I can tell you that much!
Don't be too scared on Halloween night,
Just make sure the bats don't bite!!!
