WHITCHURCH — This year, seventeen-year-old Lisa McKeen, Ninth Line, R.R. 3, Mount Albert, was a junior team representative for Ontario in the American Continental Young Riders Championships at Chicago. This is only one of many accomplishments for this talented equestrienne.

Lisa's our "Girl Next Door."

A Grade 13 student at Stouffville High, Lisa has literally grown up with horses, acquiring her first pony at age seven. She has many ribbons and trophies to show for her efforts, including Ontario's Leading Junior Rider in Three-Day Eventing, 1985.

Her prize-winning horse is "Magnus," a half-Welsh, half-Thoroughbred.

Lisa credits her parents, Bill and Eleanor McKeen, with instilling and sustaining her interest in horses.

"It's a family affair," she says, "we're all involved."

Lisa has a younger sister, Carolyn. She also rides in shows.

Lisa admits to disappointments. "You put those things behind you and try and do better," she says.

She hopes this interest never ends. Even when she goes on to university, Lisa plans to take her horse along and board him at a stable close to campus.

Lisa and her family moved to their present property, Foxall Farms, twelve years ago. Previously, they lived at R.R. 1, Stouffville.

An honor student through four years at Stouffville High, Lisa selects English as her favorite subject. Mr. Hodgson and Mr. Roche are favorite teachers. She's a second year Prefect and Treasurer of the Student Council. Her assistant is Cindy McNeil.

More activities for teens

Dear Editor: The question of the old arena's future use should be put before the citizens. Why should our teens be forced to hang around the street corners? They should have a central place in which to gather and enjoy themselves. Come on taxpayers, speak up!

Tell members of Council what you want, rather than wait and see what Council wants. Your tax dollars are being spent. Have a say in how they're spent.

Sincerely,
Cliff Lock,
R.R. 2, Stouffville

A really big event

By CHRIS GARBUTT
The really big story of the week at Stouffville Dist. Secondary School was Commencement. The valedictorian for the "Class of '85" was Ganesh Persaud. The address to the graduates was delivered by staff teacher Mr. Black. Other speakers included Principal John Nikifork, former Vice-Principal Bob Krol and Trustee Harry Bowes. Their remarks set the tone for the evening as graduates and award-winners were honored.

Any senior student, interested in attending university, is urged to attend University Day at G.W. Williams Secondary School, Aurora, Nov. 20. This is an excellent opportunity for students of Grades 11, 12 and 13 to obtain first-hand information from three Ontario universities of their choice. Additional information is available in the Guidance Office.

Attends son's graduation

Mr and Mrs Garry Harding attended the graduation of son Matthew when Markham Dist. High School held its Commencement Exercises, Friday. Matthew is presently enrolled at Trent University, Peterborough. Mr Harding is a teacher on the staff of Stouffville Dist. Secondary School.
