ONE IN A THOUSAND

Meet the exciting 1986 Prince of Ponys. This may be the only chance you'll get. Because the Prince is a limited edition '86 Hyundai Pony. Only one thousand Canadians will ever own one.

The Prince is a racing red Pony—the one with the sun-roof, front air dam, rear window louvers, rear deck spoiler, sport steering wheel, special striping and wheel trim. You can't miss it.

Check out the lively 1600 cc overhead cam engine and the slick 5-speed shift.

Inspect the Michelin all-season, steel-belted radial tires; the power-assisted brakes; the reclining bucket seats and all the other standard Pony features.

Then ask the salesperson to write it down for you because you won't believe your ears.

The Pony Prince. Hyundai built one for you and 999 other Canadians.

TAKE A PONY FOR A PRINCELY RIDE.
