Beer brings business

Dear Editor:
Your 'Roaming Around' column of Nov. 6 was extremely informative. I question one of the planks in your platform — removal of the beer and liquor stores from town. While the suggestion may have been made in jest, (knowing you, I doubt it), I question the rationale in such a statement. Do you realize the thousands of dollars in business these two places bring to Stouffville? Whether these stores are here or at Ballantrae, people will still patronize them, and they'll take their business with them. Don't try to establish other people's habits by your own.

Sincerely,
Brian Eccles,
Hemlock Drive,
Stouffville
