Seventeen-year-old Debbie Gold of Bloomington is a Grade 12 student at Stouffville Dist. Secondary School. Her favorite sports are fastball and downhill skiing. Her favorite subject is Woodworking.

**"Girl Next Door"**

**Debbie shines like pure gold**

By JIM THOMAS

BLOOMINGTON — Spectators watching Stouffville's Sophomore team in action last summer were undoubtedly (also) watching Debbie Gold.

Her regular position was short-stop, one of the most difficult places to play. But had the coach required a catcher, she would have volunteered for that spot too.

Debbie's our 'Girl Next Door'.

Fastball is Debbie's favorite sport. She hopes to rejoin the same club next season.

In the winter, she dons the skis and takes to the slopes, usually Dagmar because it's so handy.

Debbie's the centre of three in the family of Bob and Sue Gold of Bloomington. She has an older brother, Doug, 19, and a younger sister, Jennifer, 13.

She's a student in Grade 12 at Stouffville High.

Debbie's extremely skilled with a saw and a lathe. A cabinet, presented as a Christmas gift to her grandmother, is a sample of her handiwork. She's now working on a roll-top desk and hopes to have it completed by the end of the month.

Mr Knabe is her 'shop' instructor and her favorite teacher. "He has a sense of humor, the students appreciate," she says.

Last spring, Debbie enjoyed a holiday in Florida. During the '86 March 'break', she hopes to go back again.

Asked about a 'dream trip', Debbie replied "Hawaii would be nice."

While Debbie appreciates the country, Stouffville may soon be 'home'. Her parents plan to sell their lovely property near Bloomington and move to town, possibly this spring.

**High News**

**Precious peace**

By CHRIS GARBUTT

On Saturday, Stouffville Dist. Secondary School was visited by a group of young people representing the International Youth for Peace and Justice. The six guests, from across Canada, have been on tour about three weeks, delivering their message of peace and justice.

The atmosphere was informal. Basketball and volleyball were played in the gym, with a pizza dinner in the cafeteria. Four members were from a theatre group called "Children's Creations". They performed a dramatic skit entitled "Cultural Dystrophy". It dealt bluntly with the problem of racism and its destructive effects.

The young people, from various war-torn countries, gave testimonies concerning conditions in their lands. The first girl, from Namibia, told of the illegal occupation of her country by South Africa and the system of Apartheid that divides the nation.

The next speaker was from Sri Lanka. He described the terrorism and poverty that exists, also exploitation of workers by multinational companies.

Another was from East Timor, an island north of Australia that has been ravaged by war since its attempt at independence in the 70's.

A native of Guatemala recounted the torture of his uncle and the life threats on his family by terrorists before being forced to leave in 1980.

One boy from Grenada, told of life there before and after the American invasion. There were also representatives from a peace group called S.A.G.E. (Students Against Global Extermination).

All initiated much discussion—an excellent learning experience for everyone in attendance.

Appreciation is extended to Kelly Cowan for extending the invitation and organizing the event.

Earlier this week, another tour group visited S.D.S.S. This was a mime show called "Confederation", a brilliant political satire tracing Canadian Prime Ministers from MacDonald to Mulroney.

**VOLLEYBALL TOURNAMENT**

The second intra-mural tournament was held last week. It was superb, amazing, fabulous and all other words one can find in his/her thesaurus.

The blind volleyball tourney had more than 200 participants. It requires special reflexes because the nets are covered and no one knows when he/she will receive the ball.

Winners in the Junior Division were Class 9G03. Team members are Denise Blundell, Brenda Hachey, Maureen Slater, Kim Seabrook, Robert Blundon, Chris Burkholder, Jarid Davey, Henfy Devaric, Steve Ferguson, Ian Beckett and David Green.

In the Senior Division, there was a tie. The Teacher Terrorists once again showed their strength but did not have the points to fend off the team from 12G01. Teachers are Mr. Connell, Mr. Fletcher, Mrs. Kaiser, Mr. Dempster, Mr. Piette, Colfer Cowan and Heather Martin.

The 12G01 team includes Cathy Graham, Shelley Whitaker, Jill Keith, Cheryl Steiner, Ailsa Montgomery, Sally Timbers, Tiiffa Krabi, Nelson Wilson, Gunter Schwartz and Wayne Cheng.
