

Stouville's Santa Claus Parade Extended more than a mile

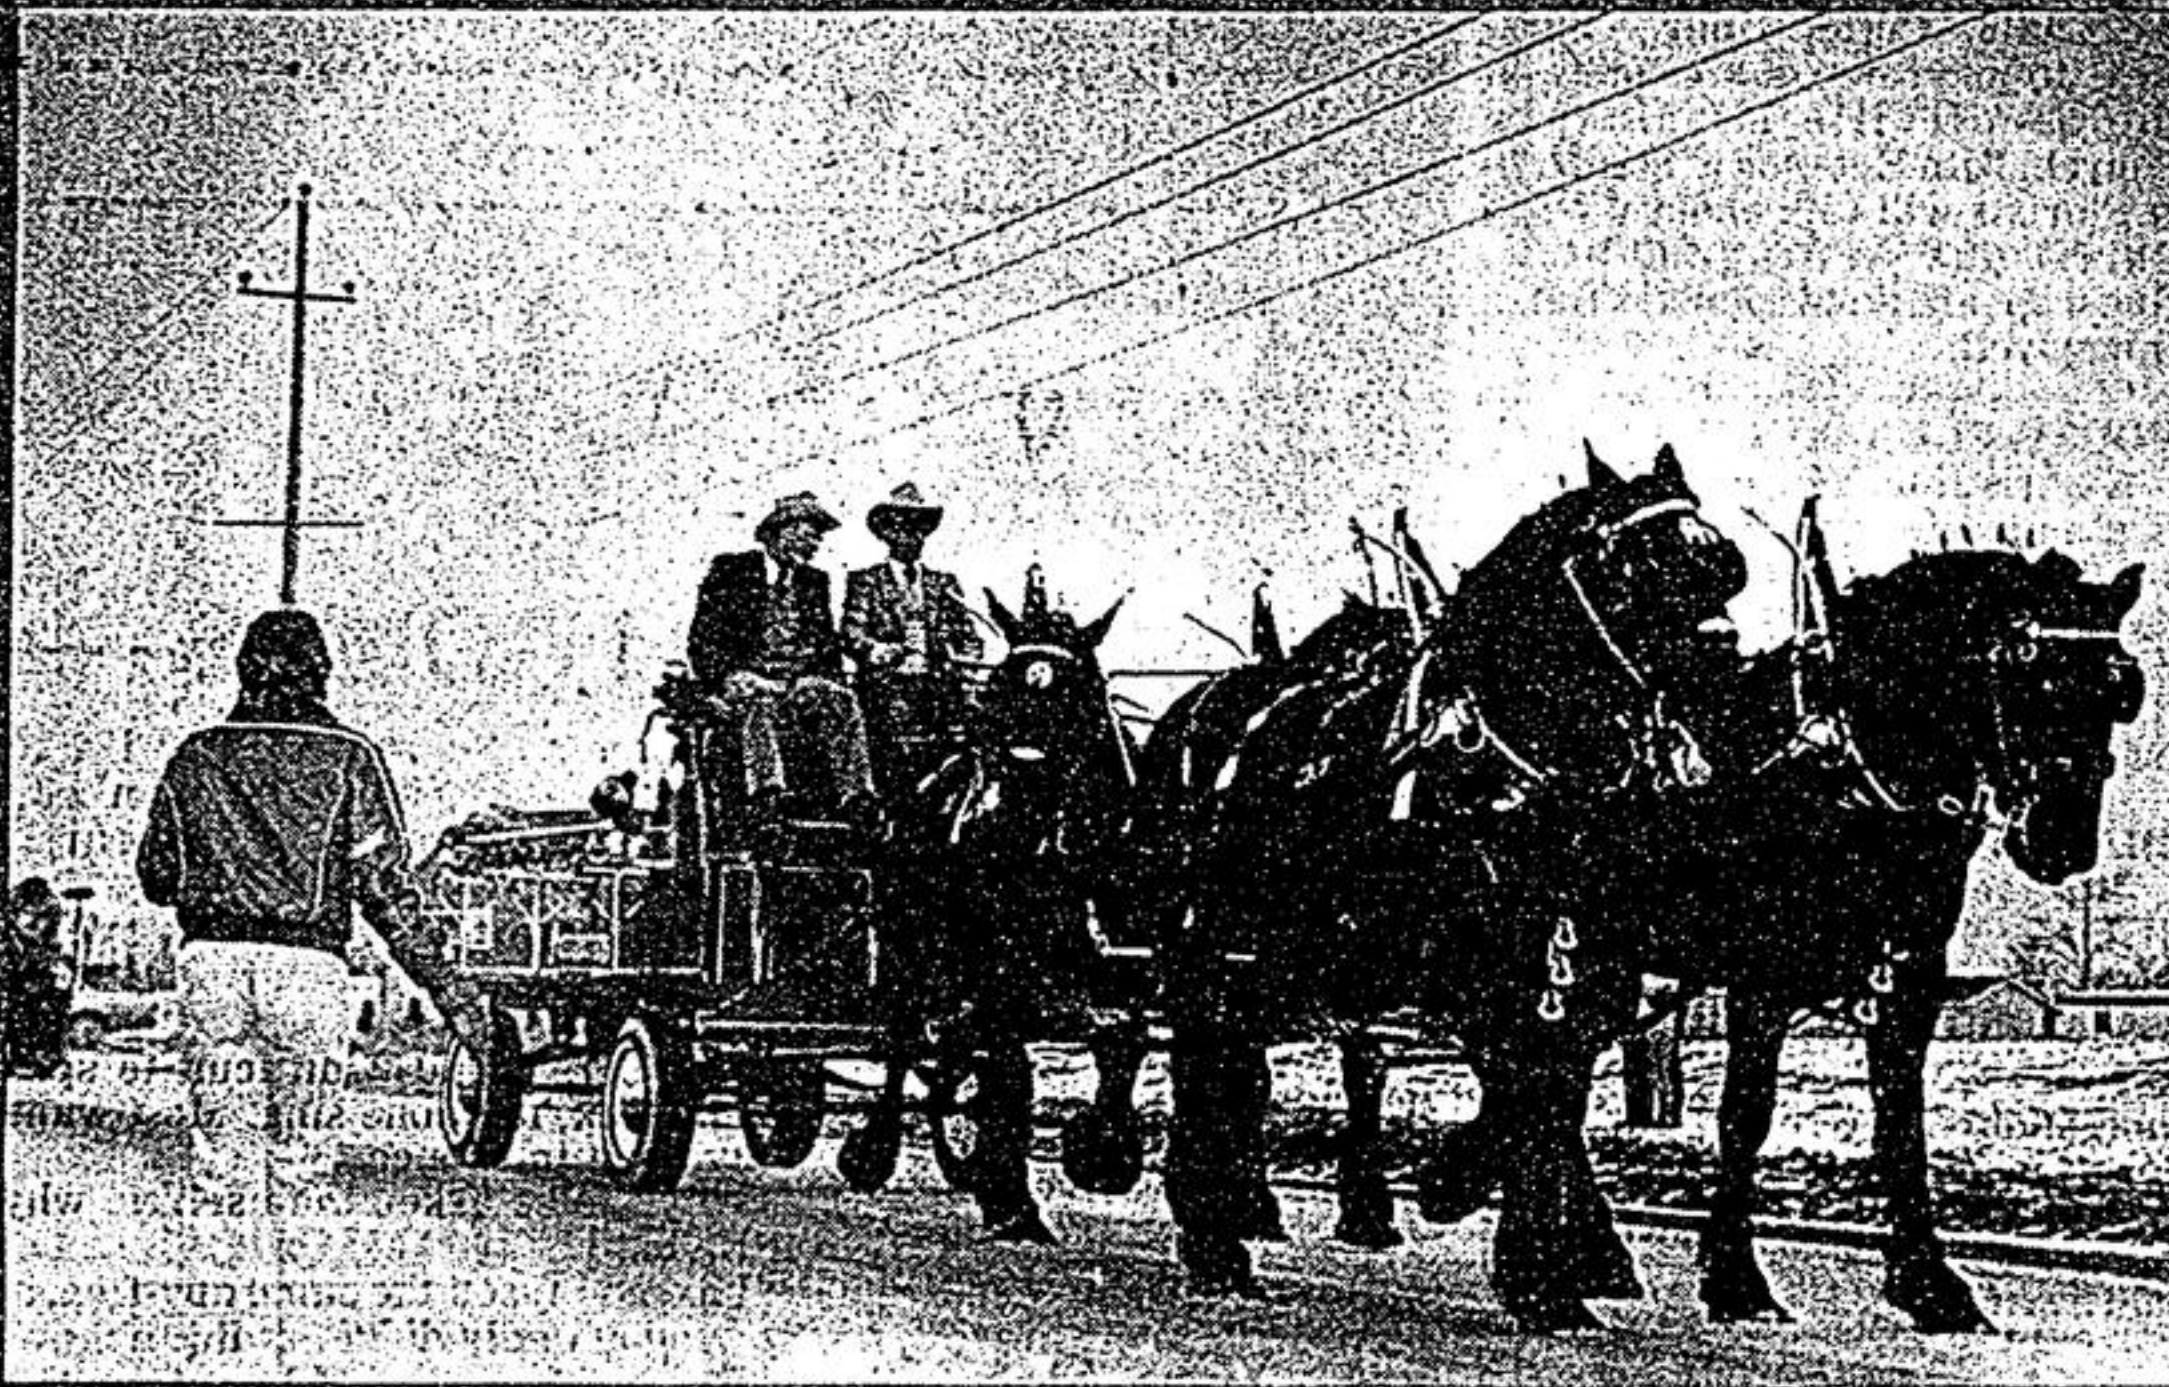

Stouville's Santa Claus Parade Saturday has been described as the longest in history. Two participants were Big Brother Skyler and Little Brother Adam.

Snowmen Dale Knight, 41, of Bloomington and Scott Wragg, 40, of Ripley Avenue, Stouville, accompanied the Earl and float entered by the Whitechurch Stouville Youth Club.

The parade wouldn't have been complete without this gentleman. The procession, more than a mile in length, included over 600 entries. It was sponsored by The Kinsmen Club.

Don and Billine of Exbridge and Bill Hassar of Stouville, teamed up with this entry of beautiful heavy breeders.

This Clyde Dale four horse hitch is owned by Bob and Lois Dale's family of Exbridge. The Davie Davies have won many awards across Ontario.

The float entered by Don Anderson, Haulage Ltd., won the class over all. This chain-driven Mac of ancient vintage led.

The pretty bunnies are Bonnie Elliott and Nicole Bligham, part of the Orchard Park School float.

David Williams and son Barry of Mississauga, Lake, travelled the mile long parade route with their dog and two-wheeled cart. They made it too with only a single hydrant stop.
