As the first personnel agency in Markham, we are encouraged by the very good response generated by our advertisement in the Economist & Sun. This is a clear indication to us that there is a need for our service in the community.

We plan to continue utilizing the Economist & Sun in order to recruit prospective employees whom we can place in business and industry in Markham and the surrounding area.

We would highly recommend the classified ad section of your newspaper to any company, who like ourselves, wants visibility and results.

Yours sincerely,
