If a coach had five Rob Reesors...

Senior Spartan Rob Reesor (25) blocks a St. Andrew's shooter during high school basketball action Dec. 3. Although the Stouffville Spartans lost 65-54, strong offensive efforts kept the game close. Mark Morrow hooped 23 points. Reesor and veteran teammate Gary

McGilvray are carrying a full load, said coach Dave Connell. The team is limping along with one win and five losses. "If any coach had five Rob Reesors, he would have a winning team," Connell remarked.

39 Spartan students will try for ski team

How popular is skiing at Stouffville Secondary?
 A full busload of aspiring downhill racers will head out to Horseshoe Valley for school try-outs on Jan. 1.
 Stouffville Spartan coaches Rod Leonard and Wayne Black

expect 39 students to compete for spots on the team.
 The instructors will select the top five males and females to comprise two squads. There's also the possibility of a second boys' contingent, said Leonard.

"During other years, there was a lack of schools competing in downhill. Now there seems to be more schools involved, so I'm not really sure if we can carry a second boys' team," he explained. "The sport of skiing has grown tremendously in the last few years."

Stouffville will compete in its first downhill event at Blue Mountain on Jan. 10. The Spartans will also race in the York Region championships Feb. 6 at the same resort.

Stouffville must race in the above events if it is to qualify for the Georgian Bay finals, explained Leonard.
