All together now

The primary choir at Mother Teresa Catholic School performs during a recent Christmas concert held at the school. — Sjoerd Witteveen

Winter wonderland

Yes, oh yes,
Winter has come,
I like winter,
Tommy thinks it's dumb,
But I like winter anyway,
Even if it snows all night or all day,
Winter! Winter is such fun,
But I get mad when it's done.

Billy Leo
Grade 4

On a snowy day,
The kids would play,
They jump up and down,
On to the ground,
The children are singing,
The bells are ringing,
The snow would blow,
The stars would glow.

Winter charms, winter charms,
winter charms are all over the place,
If you can't find any, just look on your face.

There are little snowflakes that blow on to your nose,
But there's only one problem, there's not even one rose.
That's all I have to say from now until then,
This poem is going to be a perfect TEN!

Winter is here,
People are full of cheer,
The songs and carols,

Make people full of joy,
And a little girl and boy,
Are snug and warm,
In their little tiny beds,
Where they lay their sweet heads.

Snow! Snow! All over the place,
Up to my elbows and up to my face.

Snow is falling all around,
And then it melts not making a sound.
Then comes spring and birds sing.

Gladys Law
Grade 4

Pitter-Patter, Pitter-Patter,
Winter snow is falling.
Chitter-Chatter, Chitter-Chatter,
Listen to the snowbird calling.
Glitter-Glatter, Glitter-Glatter,

The winter snow is sparkling.
It's time to go,
Cause the winter sky is darkening.

Lisa Basso
Grade 5

The birds have gone away,
Snow is falling today,
I hope the sun comes out,
So my friend and I could play.

Mother Teresa Catholic School Children's pets are part of the family

I have the cutest little pet that you ever met.
Her color is yellow and green.
She chirps a lot but doesn't scream.

Her name is Feathers and she is very small.

She looked in the mirror and thought she was tall.

Then one day she was gone.

We hoped she would be back by dawn.

But she was gone for good.

Now she's on her own to find her food.

I sure miss that little bird.

I have a pet,
He's a dog,

In the summer he chases frogs,
Once he chased a squirrel up a tree,

But, he never caught me.

Billy Leo
Grade 4

A little brown doggie named Joe,

Walked upside down on his toe,
He took a book to read,

To study about a seed,
Then he went to a flower show.

Jeffrey Tadatada

Today is a bad, bad day,
I don't think I'll go out today,

There's slush, snow, rain and sleet,

And me and my friend were going to meet.

It's cold outside,
But warm in here,

I hope winter isn't long this year.

Now let's go skate on the rink,
Then hot chocolate for a drink.

I have a dog,
Who eats like a hog,
Who sits on a log,
I love my dog.

She loves December

With icy white snow,
And winds that blow,
The land all covered with white,
And all the cold nights
I love December,
Cause it's the month that's easy to remember!

When Christmas is here,
There is no fear.
For Santa Claus is coming,
And Christmas carols we're humming.

I love Christmas,
Cause of the lovely service at mass!

Baby Jesus is born,
Blow the horn.

For this, the time to be merry,
With His mother Mary.

We sit and pray,
For He is here to stay!

A bad day

A special gift for Christmas

There was a young boy,
Who had a special toy,
He thought he would give it away,

So he did it on Christmas day,
For some other child to enjoy.
