In Memoriam 665

EMPRINGHAM, Annie - In loving memory of a dear mother and grandmother who passed away Jan. 10, 1983.

We had a mother with a heart of gold Who was more to us than wealth untold Without farewell she fell asleep With only memories for us to keep. Ever remembered, Bruce, Margaret and family.

HARPER, Ross - In loving memory of a dear husband, father and grandfather and great-grandfather who passed away Jan. 15, 1974. Love's greatest gift, remembrance. Wife Nellie and family.

IN memory of our parents Joseph and Ella Byer, Delos and Ellen Graham. Till memory fades and life departs. We will remember. Fred and Lillian.

KEELER, Ethel - In loving memory of a dear wife and mother who passed away Jan. 5, 1984. Time speeds on two years are gone Since death its gloomy shadows cast Upon our home where all was bright And took from us a shining light We miss that light and ever will Her vacant place none can fill Here we mourn but not in vain For in heaven we will meet again. Lovingly remembered by husband John and family, Alice and Gordon, Irene and Ted, Marjorie and Dave and Grandchildren.

MILLER - In loving memory of our dear daughter Jody Lee, who passed away January 10, 1981. There is a Mother and Father who miss you sadly. And find it hard to deal with And we think of you daily and hourly. But try to be brave and content. And tears that we shed in silence And we breathe a sigh of regret For you were our baby and we remember. Though all the world forget. God be with you. Always remembered, Mom and Dad.

PAISLEY, Thomas Harold - In loving memory of a dear husband, father and grandfather who passed away January 8, 1978. Those we love don't go away. They walk beside us every day. Unseen, unheard, but always near. Still loved, still missed, still very dear. Wife Lillian and family.

Mayor lauds Health Study

WHITCHURCH - Mayor Fran Sainsbury, for one, is pleased the province has given the 'green light' to an in-depth Health Study for Whitchurch-Stouffville. "It will remove the cloud of doubt that's been hanging over our heads," Mayor Sainsbury told The Tribune. The cost has been placed at \$487,000. The end result will determine if the health of residents has been adversely affected by chemicals from the now-closed Hwy. 48 landfill site.

The Study is expected to take 15 months to complete. A four-member team has been appointed to oversee the project—Debbie Mitchell and Ann Gagnon of the Concerned Citizens Committee; Mayor Fran Sainsbury and Dr. John Hodgkinson, Associate Medical Officer of Health for the Region of York. An information office will be opened in Stouffville. Mayor Sainsbury says the Study sets a precedent in Ontario due to the fact the terms of refer-

ence were established by the people. Mayor Sainsbury says all's been quiet on the citizens' front of late because the people have been patient, fully believing the province would follow through on its promise. "Pollution problems aren't unique to Whitchurch-Stouffville," Mrs. Sainsbury said, "it's happening all over the world, wherever man has been negligent in the use of chemicals." Mayor Sainsbury says the

Study will be one of the most thorough ever undertaken and will serve as a prototype for other municipalities and provinces. She's hopeful the conclusions will put residents' concerns to rest. "We're all working together for a common good," she said, "not in confrontation but in cooperation." "The Government has finally agreed to talk to the people," Mayor Sainsbury concluded, "but first, we had to get their attention."
