The gift of life

The Legion-sponsored Red Cross Blood Donor Clinic in Stouffville, Friday, has been described by chief organizer Aurelia Smith as one of the best ever held here. A total of 154 units was collected, well above the 110 anticipated. The donor here is Dave MacDonald of Clarendon. The attending nurse is Jan Barry.

Property plan 'pilot project'

STOUFFVILLE — A new "pilot project" may help chart the course of future development in Stouffville's downtown core, according to a town builder.

Ken Sandiford of A&S Construction suggested the proposed development could establish a new design theme for the downtown area.

Appearing before the Town's planning advisory committee Jan. 7, Mr Sandiford outlined a

proposal for an existing structure on what's known as the Flossie M. Thompson property, 17 Main Street East.

Plans are for a building to accommodate Bunny's Flowers downstairs plus two rental offices or apartments above, Mr. Sandiford said.

A request for an exemption from site plan control was forwarded to staff.

Zoning meeting

STOUFFVILLE — Town ratepayers are invited to a public meeting on Whitechurch Stouffville's general zoning by-law, Wednesday, Feb. 5.

The session begins at 7:30 p.m. in Latham Hall.

"It (the by-law) effects every single property-owner in the town, except for Ringwood," Planner Michael Saunders told

The Tribune. Copies of the draft document prepared by Town solicitor Mingay & Associates, are available at the municipal planning office between the hours of 8:30 a.m. and 4:30 p.m.

Official Plan amendments for the Ringwood area will be dealt with at a later date, added Mr. Saunders.
