Oldtimers' Tournament raises \$4,300

As a result of a recent Oldtimers' Hockey Tournament held in the Whitechurch-Stouffville Recreation Centre, a cheque in the amount of \$4,300 was presented, Friday, to Parks and Recreation Director George Schlukbier, (centre). Making the presentation were John Willis, (left), of the Maples of Ballantrae Classics and Eric Scaife, Coach of the Betz Pools Oldtimers of Stouffville.

Residents on Stuart Street, Stouffville, are opposed to the placement of Community Mail Boxes in their neighborhood. The following is a copy of a letter written to Mayor Fran Sainsbury and Ward 6 Councillor Jim Sanders related to this issue. It reads:

Dear Mayor Sainsbury and Councillor Sanders:

Enclosed is a petition signed by all the residents of Stuart Street, voicing their opposition to the placement of mail boxes on the street. Every house was petitioned and, without exception everyone wanted to remain with the present method of mail service.

We can't speak for the rest of Stouffville of course, but we think this is a strong indication that the majority of people would have voted against this concept—had they been given any choice in the matter. We respectfully request, therefore, that Town Council order a halt to any further work in established neighborhoods until this question is given proper and due consideration by Town officials.

We specifically request that residents of the town be advised beforehand when something is being planned for their neighborhoods and be given the opportunity to have some say in the matter. This is especially important when the plan involves digging up the landscaped properties and lowering property values or the appearance of a neighborhood.

Sincerely,
Jerry Sanford,
