

The name is new but the commitment continues.

When you drive by our location these days, you'll notice a new name has replaced the familiar Kinnear Pontiac Buick Limited. That name is Tomlinson. As many of you know, Dave Tomlinson has owned Kinnear since 1983. Now the name reflects that ownership.

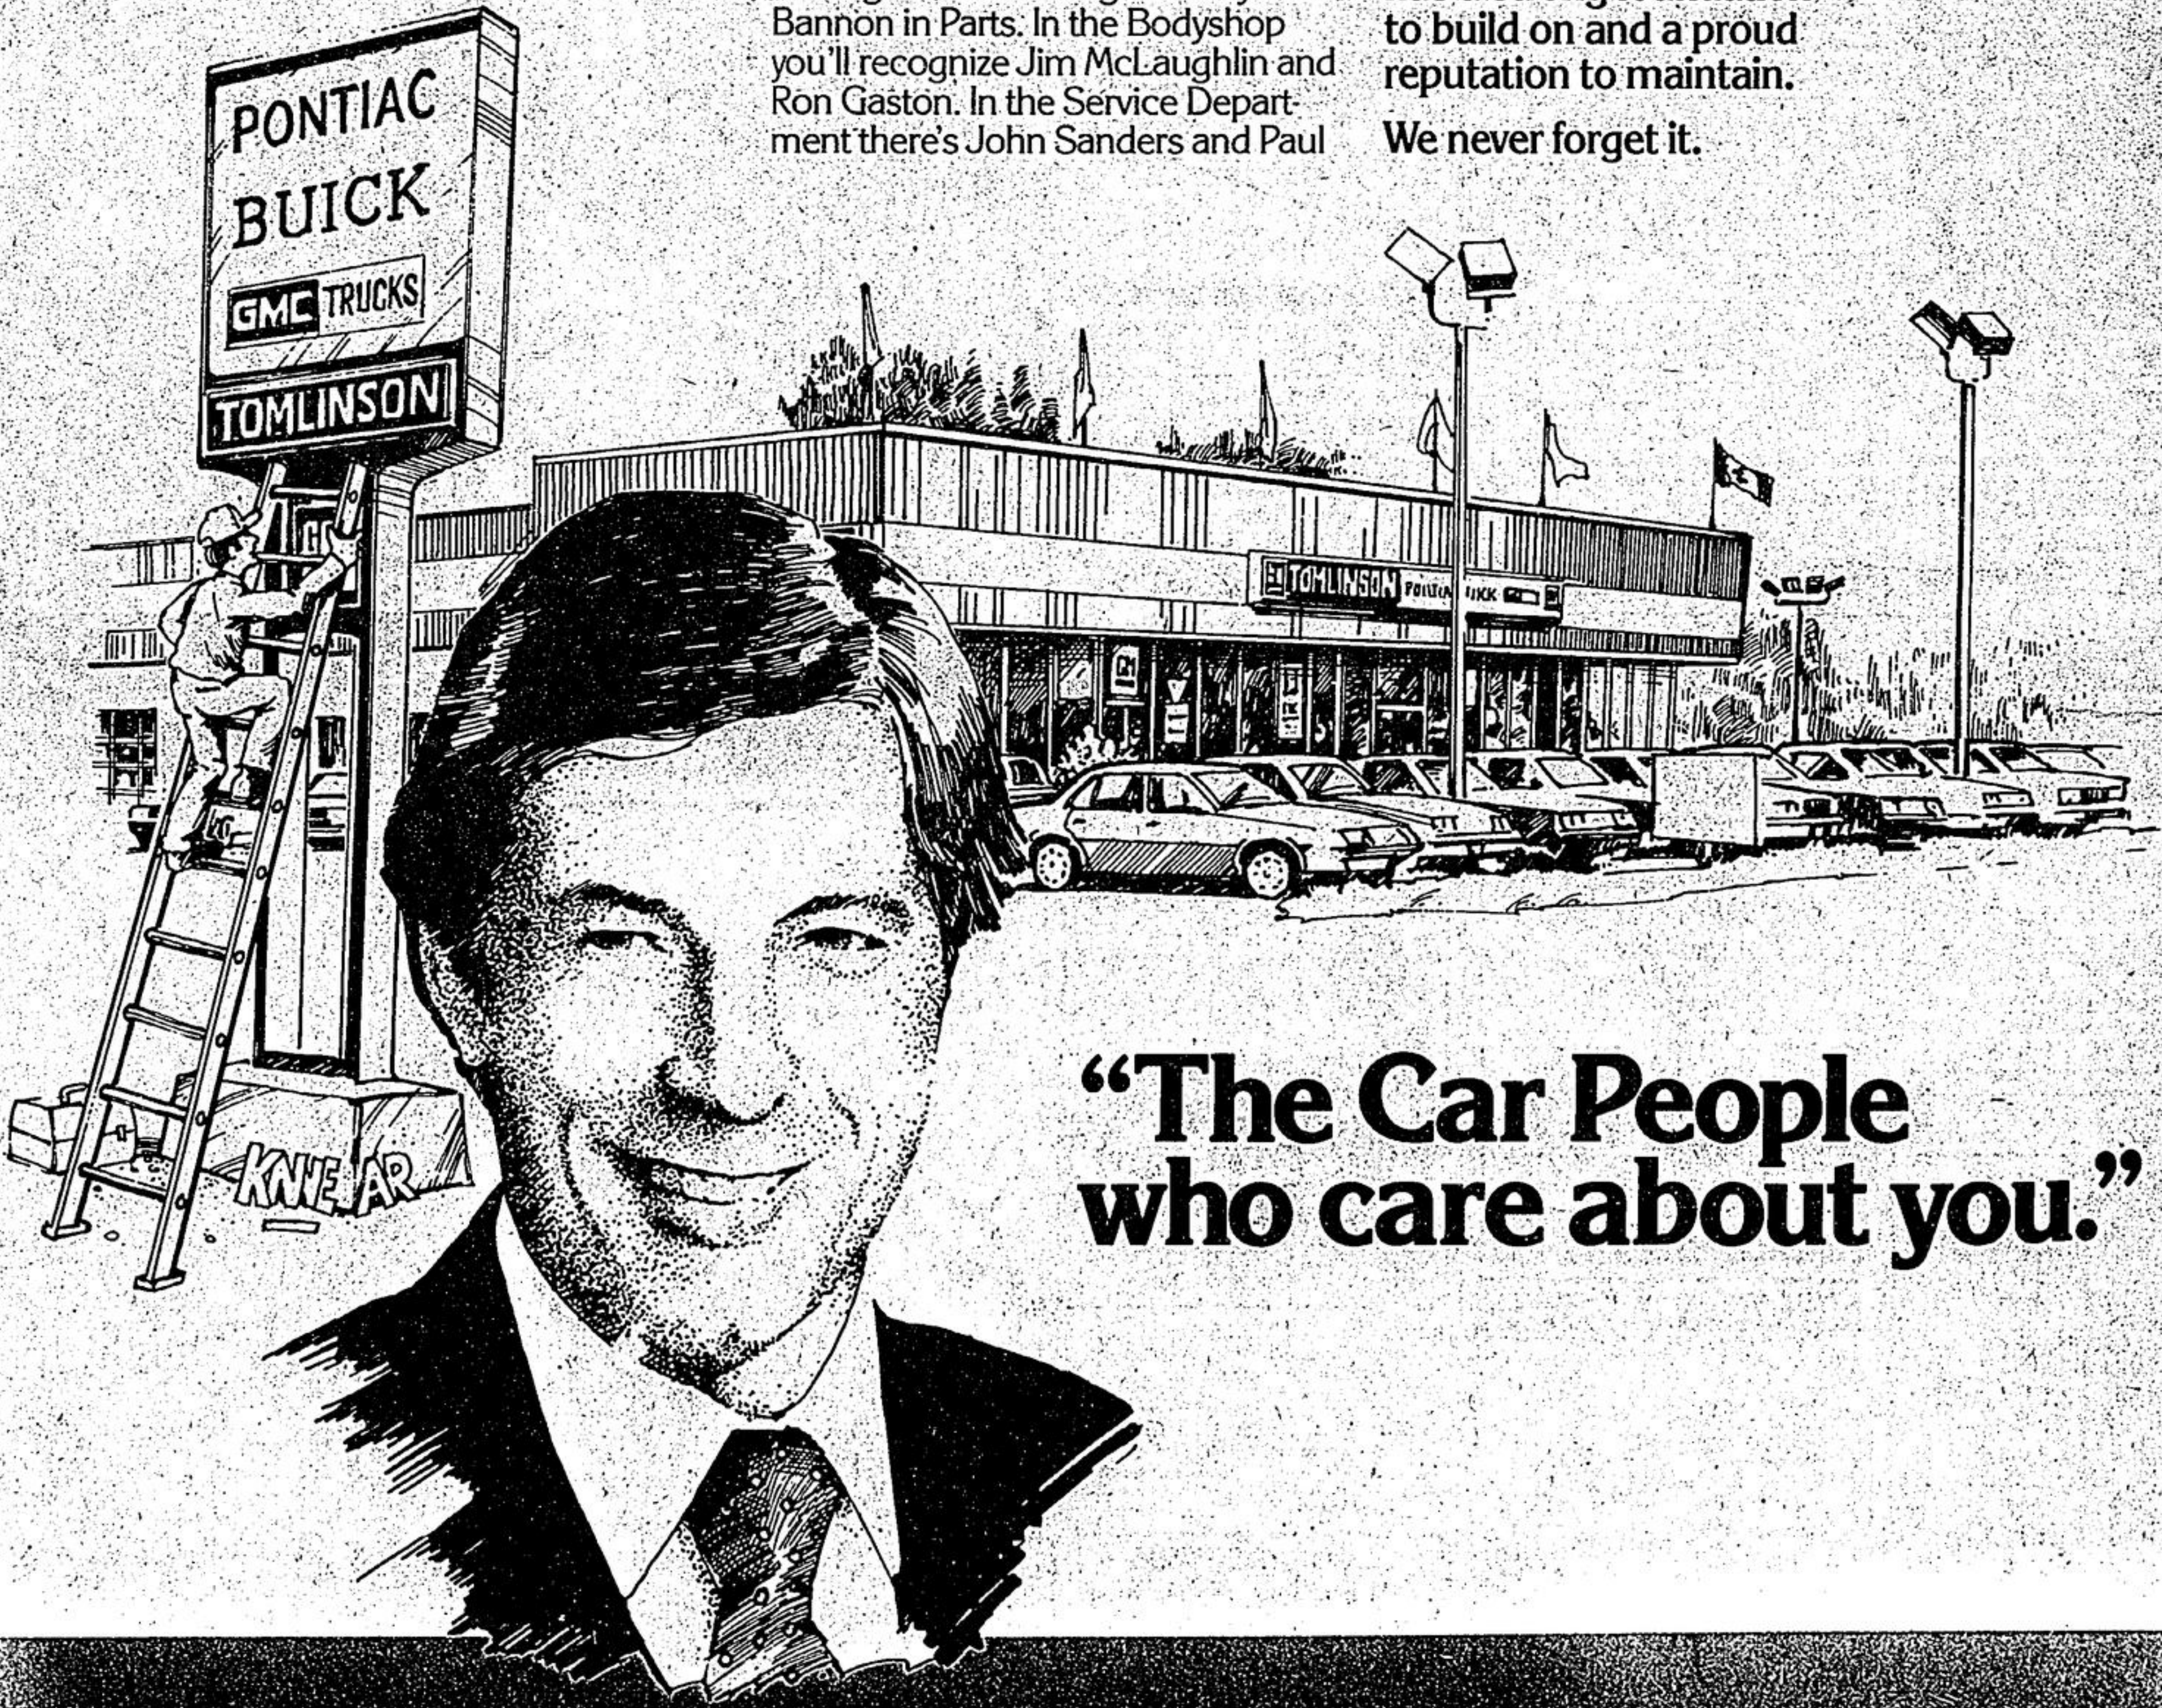

This has always been a company that cares about its customers. A company that values and practises the personal touch. Many of the faces you see now are faces you have known for years. Owner David Tomlinson, of course. Other familiar faces like Bruce Williams, Bev Barry and Garry Smith in Sales, Gladys Claringbold in Leasing and Roy Bannon in Parts. In the Bodyshop you'll recognize Jim McLaughlin and Ron Gaston. In the Service Department there's John Sanders and Paul

Ishizuka with Madge Veitch and Sharon Tomlinson in the office.

After years in the community, we know what people want — quality cars, genuine parts, top level service and people who listen. Our service doesn't stop after the sale is made.

Tomlinson Pontiac Buick Ltd. has a strong foundation to build on and a proud reputation to maintain.

We never forget it.
