GAINES

SALES AND MARKETING PLANNER

Gaines Pet Foods is a Canadian company with brand leaders in the competitive pet food market. We require a Sales/Marketing Planner to join our team.

The job involves sales forecasting, inventory control, promotion evaluation and detailed performance analysis.

The right individual for this position is already working in a similar planning function and wants to grow. To be successful in this position you must have the ability to develop accurate sales forecast by evaluating trends and planned activities. You understand the importance of accurate forecasts and the impact the forecast has on inventory, production and customer service. You are very good with numbers and have a high level of expertise with an IBM PC. You can develop management reports with the PC that will streamline planning.

You are career conscious with a high desire to make your mark and get involved.

If you want to join a small hands on team in an entrepreneurial environment with scope to grow and you have the prerequisites to handle this assignment we want to talk to you. We offer a competitive salary, comprehensive benefits, a real challenge and an opportunity to grow.
