

Late Arthur Heaton Legion service for veteran of two wars

STOUFFVILLE — Arthur Heaton, a veteran of two World Wars, passed away March 7. He was 87.

Mr. Heaton was an active member of the Royal Canadian Legion and the Markham Veterans' Association. He will be interred in the spring, wearing the Color Guard uniform of the Legion's Richmond Hill Branch, 375.

Two services were held honoring Mr. Heaton at the O'Neill Funeral Home, March 8. Rae McFadden conducted a Legion service for the 71st Battery (Fourth Division) World War I gunner. The next day, Rev. Cecil Tiller, pastor of Stouffville United Church, was in charge of the public service for family and friends.

Mr. Heaton had been awarded the Legion's 50-year Membership Pin. He was a long-standing member of the Association.

In retirement, he was still actively involved with both organizations, helping out whenever possible. At Richmond Hill, he assisted in the raising of funds for new band uniforms.

As well, Mr. Heaton was an avid angler and hunter. He loved the outdoors. Often he was accompanied on trips by son Roy and close friends.

At age 10, Mr. Heaton arrived in Canada from Kent, England, and began working at the Todd Morden Brick Yard, East York. He was employed there for a dollar a day until volunteering for service.

After overseas duty during World War I, he returned and worked at Valleyview and Linden

Dairies until the outbreak of World War II. Again he went overseas serving as a Frontiersman.

On his return from Europe, he helped Annie, his wife, operate the Heaton Nursing Home. He also worked with Roy in a painting business 15 years.

Annie passed away in 1973 at age 74. Several years later, Mr. Heaton married Violet Inasley.

Last summer, they moved to Country Place Nursing Home, Richmond Hill. In January, Mr. Heaton suffered a fall and fractured a rib. He was taken to York Central Hospital for treatment and remained there until his death.

Mr. Heaton is survived by wife Violet; son Roy and family.

Our new lawn tractors come with a small attachment you'll love.
The price tag.

It's the icing on the cake. After being attracted by the smart styling, intrigued by the brand new features and impressed by all the dramatic improvements...you'll be delighted by the price.

This year, John Deere has introduced an entirely new line of 100 Series lawn tractors. All are priced substantially less than the 1985 models they replace. Not just a few dollars less, but hundreds! It's the most significant price reduction in John Deere history.

New overhead valve engines on most models provide increased horsepower and torque. Better efficiency

and fuel economy too. And they're enclosed for quieter operation. You'll find more legroom. Easier refueling. And on our 130, a higher performance 30-inch mower deck.

See for yourself. John Deere's combination of high quality and performance, along with low price, gives you more tractor for a lot less money than ever before. Compare what others have to offer. You'll find there's never been a better time to own a John Deere.
