

# Dunbarton High holding reunion

Dunbarton High School in Pickering is celebrating its 25th anniversary on May 3 with a reunion.

Dunbarton High opened its doors in September of 1961 and the last 25 years has seen the school expand from the original 12 classrooms to 57.

In its inaugural year 300 students, from grades 9 to 11, attended Dunbarton. A full five-year program started in 1962 and an initial teaching staff of 16 has grown to 93. They teach nearly 1,600 students. Now almost 300 students graduate annually.

The May 3 celebrations will take place in two locations. An afternoon program is being

offered at the school with evening events proceeding at Annandale Golf and Country Club in Pickering Village.

A general assembly, nostalgic slide shows, skits and classes devoted to graduating years will highlight the afternoon agenda. The day will climax with a buffet and dance at Annandale.

The entire Annandale facility

has been reserved for the event. Ice will be removed from the curling surface providing a second dance floor and two disc jockeys will offer music from the 60s, 70s and 80s.

Fifteen hundred students and graduates are expected to attend the festivities which will provide an opportunity for classmates and teachers to reminisce.

Ticket prices are \$5 each (children free) for the afternoon program or an all inclusive \$15 for both afternoon and evening programs. Net proceeds will be donated to the Dunbarton Alumni Scholarship Fund.

Tickets are limited, but reservations can be made by calling Dunbarton High School at 839-1125.
