# CAREER TRAINING

Job  
Career  
Future

## In just three months you can be a computer technician

Unlike courses which could take much longer, the MAI program lets you earn your diploma and compete immediately for a highly rewarding career in servicing and maintaining computer equipment. The boom in computers assures tremendous opportunities. When you train with MAI, you will have a solid base in computers to enable you to move to other career options.

If you are a high school graduate or equivalent with an electronics background, you may qualify to enrol. For complete details at no obligation call now at (416) 475-2117.
