The Lion's share of the load

Saturday was 'Fertilizer Day' for the Stouffville and Ballantrae Lions Clubs. And it was generally agreed that no two people can spread it better than Ed MacAloney, (left) and Neil Patrick, (right), of Stouffville. Bearing the Lion's share of the load on this particular trip was member 'Cap' Cowan, (centre). The project proved very successful in both communities.

Things I'd like to see

By REG MACKAY
STOUFFVILLE — The following are projects I'd like to see completed in 1986:
 (1). I'd like to see Hwy. 47 made a four-lane road from the Ninth Line, (Stouffville), through to Hwy. 404.
 (2). I'd like to see a bus service provided from Uxbridge and Stouffville to (and from) the Finch Avenue subway. At present, anyone travelling to Toronto during the day, takes the bus to the Scarborough Town Centre; climbs a flight of stairs to the LRT train; disembarks at the Kennedy Road subway station; descends a flight of stairs to the subway level, (much of the time the escalators aren't working); then transfers from the subway at Yonge to go downtown.
 (3). I'd like to see a Hall of Fame in Whitchurch-Stouffville. Included in it should be a plaque recording the accomplishments of the following: Win Timbers—World Plowing Champion; Fred and Eleanor Crossen—Lawn-Bowling Promoters; Norm Faulkner—Co-Owner of Race Horse Cam Fella and Art Latcham, Stouffville's Greatest Benefactor, to mention only a few.
 (4). I'd like to see the old Arena used as a roller-skating rink. If the building itself must be demolished, then the surface should be flooded for open-air skating in the winter and roller-skating in the winter.
