Badminton doubles team ousted in Georgian Bay quarter-finals

Stouffville Secondary students Anita Cheng and Lisa Zeck were eliminated in the consolation quarter-finals of the Georgian Bay Secondary School badminton championships in Thornhill last Thursday. After placing second and third in the York North and York Region finals, the local doubles team just couldn't get it together in the larger and more competitive Georgian Bay championships. "The teams were much better from the other regions. They knew how to place their shots," said Zeck a Grade 11 student. "I think we had a problem with our serving. (The birdy) would go out of bounds a lot. We kept trying to play to the sides too. Although Zeck claims her partner — Anita Cheng, a Grade 12 student — had a better smash shot than herself, the poor lighting in Thornlea Secondary's gym hindered their play. In some games, the Stouffville girls failed to take advantage of a common strategy — to seek out and return shots to the weaker opponent on a doubles team. It proved costly. Stouffville came out of the double-knockout event with a 2-2 record.
