

GM CONLIN MOTORS GM

DANIELLE VOLPE standing and BARBARA McNULTY co-owners of MOLLY MAID (Markham) are seen here taking delivery of another CHEVETTE from BOB WALLACE Sales & Leasing Representative of Conlin Motors.

MOLLY MAID - Markham has a fleet of ten Chevette's which we lease from CONLIN'S MOTORS. Originally, CONLIN'S was our choice because of their excellent reputation. We have stayed with them because of outstanding service, reliability and very competitive prices. Both in sales and in service CONLIN'S has shown sensitivity to our needs by providing us with quick and efficient attention.

We will continue to do business with CONLIN MOTORS because they do the job right!
