Dear Neighbour,

I personally extend an invitation to you and your family to visit our open houses this weekend. My associates have responded to my request to present the best selection of homes that they have for your personal viewing, and they have done so.

In this special section you will find many homes listed. Please pick the ones you wish to see and come on in, our real estate professionals will be at each house offering you their expertise to help you with any real estate concerns you may have.

The real estate market has been breaking records over the last few months. If you are considering a move, now is a good time to look at our inventory and talk to one of our agents.

Thank you for your continued support of our business here in the Markham, Unionville and Stouffville area and we all look forward to meeting you this weekend.

yours very truly,

Douglas Meharg

JOYCE SPENSLEY

Our decision to open a second Century 21 Armour office at the Kennedy By-Pass and Highway #7, in 1984 to concentrate on the Unionville market was obviously a wise one.

"Our 1st year was very successful and this year we have sold twice as many homes and properties as last year" says Joyce Spensley, Manager.

We are continuing to experience tremendous growth in the area...NEW home, builders, schools, theatres and businesses, easy access to highways 401 and 404, together with historic sights and small town "charm", have all perpetuated a very successful market place.

Your NEIGHBOURHOOD PROFESSIONALS are proud to promote the area and make sure their clientele know "Life Is Better In UNIONVILLE".
