## New milestone for Music Mania song-dance routines biggest hit

Music Mania '86 entered another milestone, last week, with its 26th show on stage at Stouffville Dist. Secondary School. The song and dance routines were obvious hits including the number 'I'll Be

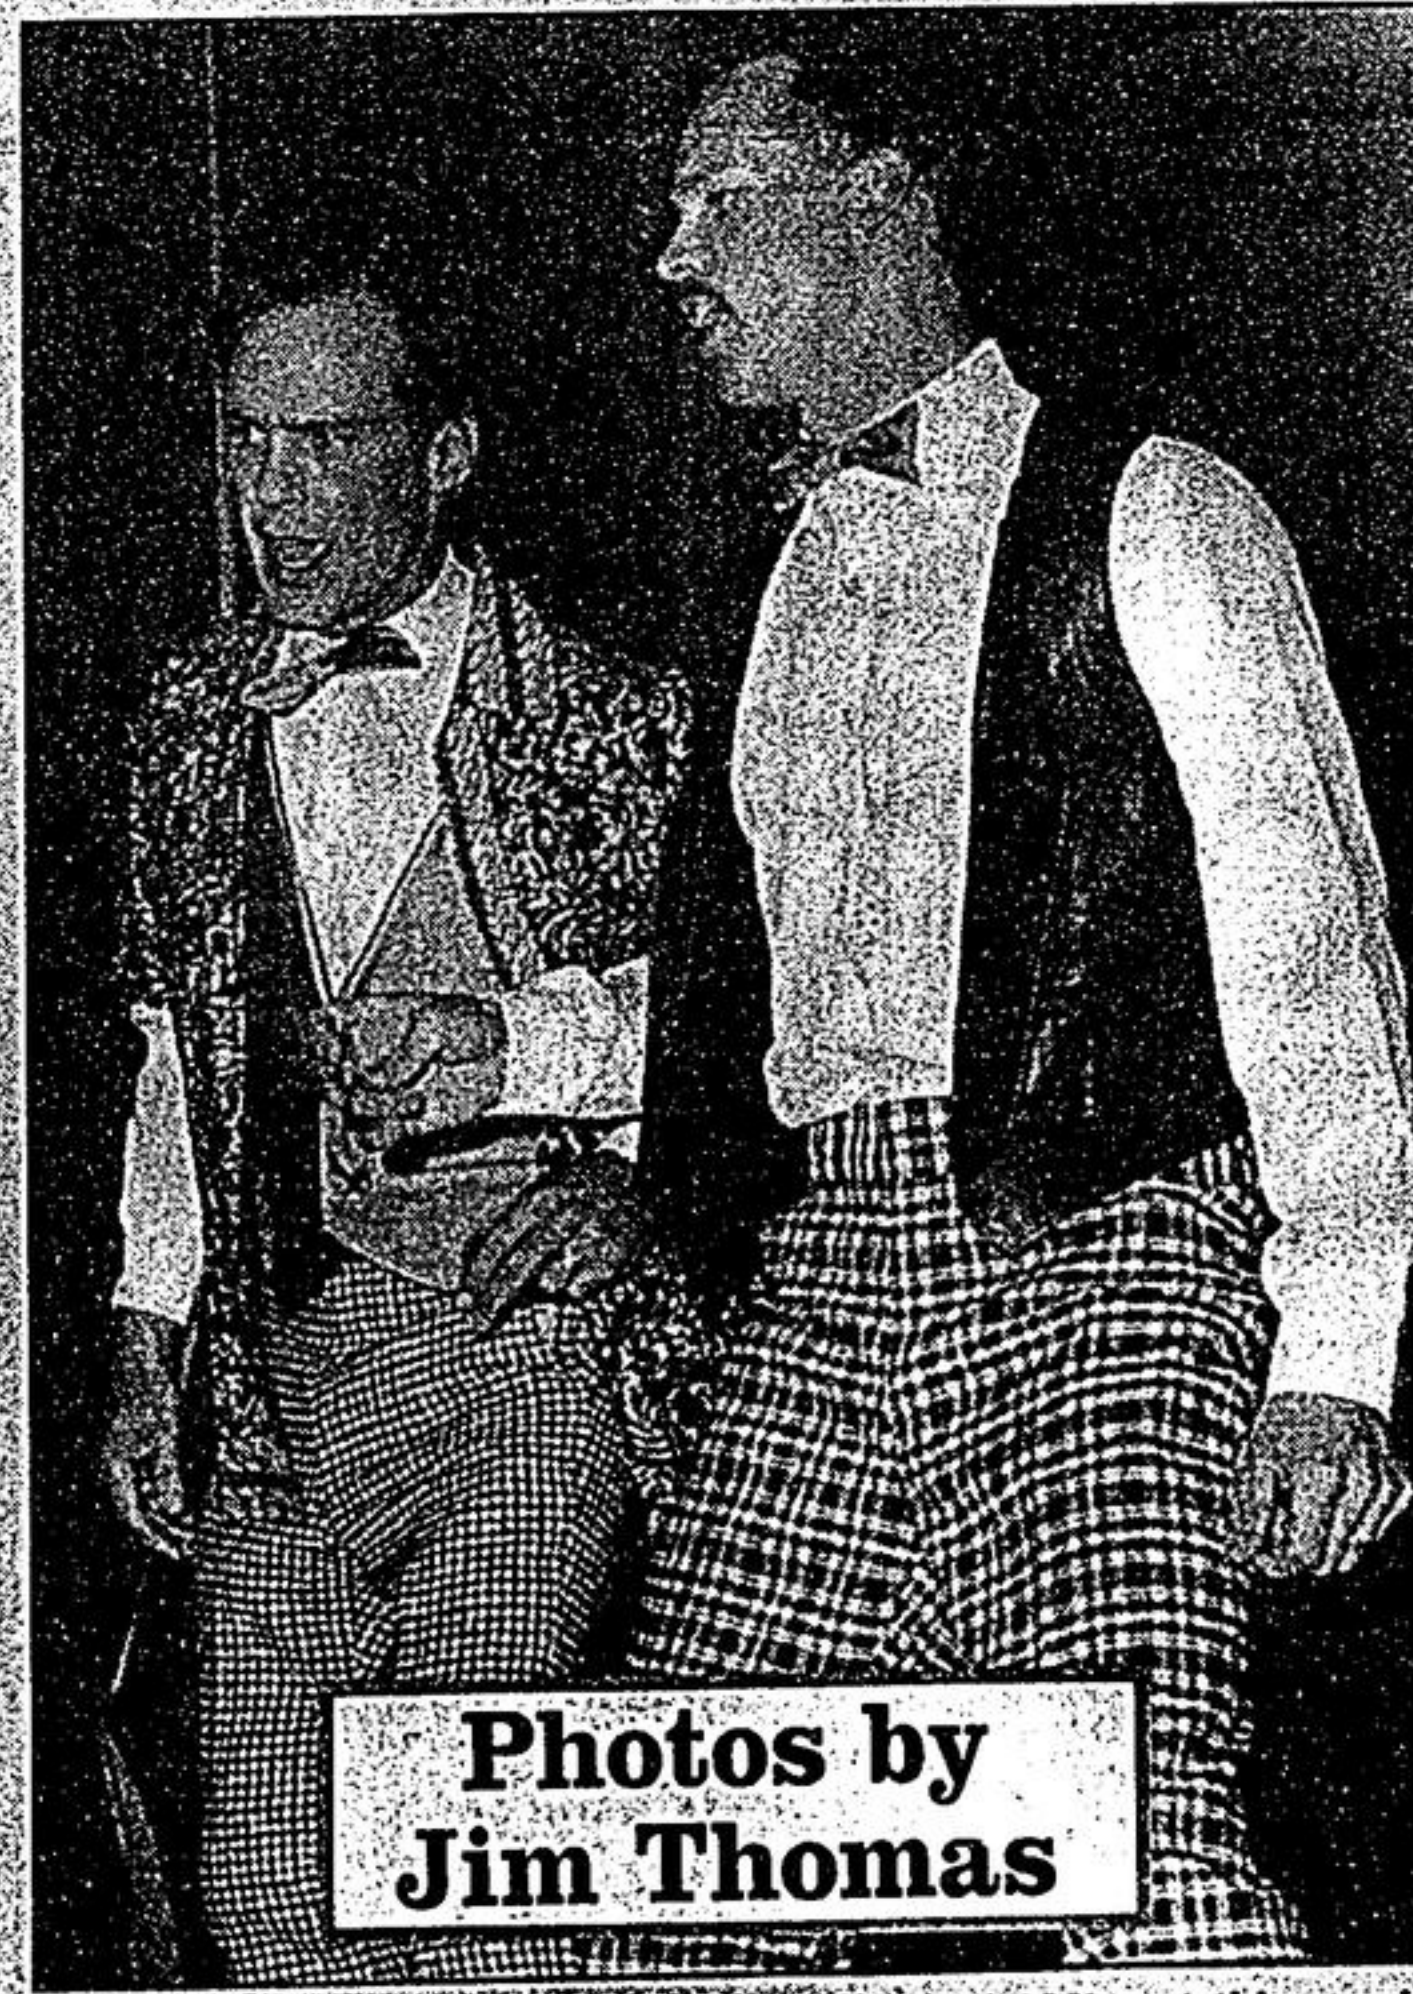

Seeing You' by (left to right) Don McNair, Linda Hollin, Ann Bell and Ozzie Bradshaw. The theme this year was "Our Caribbean Cruise."

Music Mania's nineteen dancers choreographed by Angela Tucker were superb including high-kicking Bianca Creek.

Lovely Cynthia Ceney was a big hit with the audience in this dance number. The dances were excellently done and drew loud applause.

While some of the skits left the audience 'cold', not this comic routine by Mark Christoff, (left) and Ozzie Bradshaw.

Is it for real? Brian Bradshaw, (left), tugs at Don McNair's beard to find out. Their role was entitled 'Ship Ahoy'.

The show's 'Caribbean Cruise' had its own live mermaid in the person of Jackie Petric. This was the most colourful part of the program, drawing enthusiastic audience response.

The 42-voice chorus excelled in its presentation of such well-known songs as 'Jamaica Farewell', 'Yellow Bird' and 'By The Beautiful Sea'.
