

Role switch

Children at Milliken's St. Benedict's Separate School saw a role-switch last week — teachers performing on stage instead of students. Separate school instructors were performing Robin Hood And His Merry Men, and will take the play to other York Region schools as well. — Sjoerd Witteveen

New principals at local schools

A number of Markham-area educators are on the move.

Principal Ron Beattie, of Unionville's William Berczy Public School, is leaving to go to Johnsvie Village P.S. in Thornhill. Replacing him will be Gord Maunder, currently principal at Meadowbrook P.S. in Thornhill.

Also leaving Markham is Arthur Boynton, principal of William Armstrong P.S. Mr. Boynton has been transferred to Orchard Park P.S. in Stouffville.

Taking over at William Armstrong P.S. is Reg Pemberton, principal at Sixteenth Ave. P.S. in Richmond Hill.

Bill Gordon, principal at Henderson Ave. P.S. in Thornhill, has been named as the first principal of Markham's new Ramer Wood P.S. which opens in September.

The vice-principal is Paul Fassel, currently a teacher at Markham District High School.

Dave Kennett, a physical education consultant with the public school board, has been appointed vice-principal of Milliken's Highgate P.S.

The transfers and appointments were announced at last week's meeting of the York Region Board of Education.
