**Mom is
best at
everything**

Why my Mom is the Greatest.
Mom is the best. Mom does the
best cooking. Mom is helpful to
me. Mom helps me with my print-
ing lots of times. She helps to get
me ready for school and church
and lots of times she plans my
birthday party.

She takes care of me when I'm
sick. She gives me treats like gum
and that sort of stuff.

She is fun to play with. She takes
me swimming.

My Mom is the Greatest. She
loves me very much.

She dances nice. She is the best
Mom in the whole wide world. She
looks beautiful when she goes out
to dinner with my Dad.

I love my Mom!

**My mom
teaches
sewing**

My mom's the greatest because
she taught me how to sew and she
reads to me books such as *The
Wind in the Willows*. She takes me
places like the park and the zoo.
She also taught me to read and to
play the piano. Sometimes I help
her bake and when we make a
cake she lets me lick the beaters.
Also she makes the bestest
cookies in the world. I like it when
we chat about things and I love
her very much.
