Editor's Mail

Snail's pace

Dear Editor: I'm writing this letter in regard to the mailing system at the Stouffville Post Office.

On April 10, I sent my son Grant a birthday card. I thought ten days would be sufficient to get it from Claremont to Stouffville in time for April 17.

I addressed the card to his residence, the right number on Main Street and the correct postal code. I put my own name, address and postal code on the envelope.

To this day, (May 6), he hasn't received it. Something is drastically wrong.

I'd like to know: Where is the card? Will he EVER receive it? Who's to blame? It would have been the same if I'd enclosed a cheque for \$100 in the envelope. The card cost \$1.50 plus postage.

I'd like someone to please explain the problem: I intend to get to the bottom of this even if it means writing to Ottawa.

Sincerely,
Mary Morgan,
R.R. 1, Claremont
