

# Reader wants public forum with MP Stevens

Dear Editor,  
I was shocked after reading several recent articles relating to Sinclair Stevens, Minister of Industry and Member of Parliament for York Peel.

Stevens has personally waived a requirement for Hyundai cars that would have guaranteed Canada nearly \$300 million worth of export sales last year. Then Lloyd Axworthy is quoted as saying: "It's a real betrayal

of Canadian economic interests." The second article deals with an open letter written by John Turner, Leader of the Opposition, to Stevens. Stevens is asked "to provide FULL and COMPLETE explanations of the \$2.6 million

loan obtained by your company," by which "his wife arranged with the help of a firm doing business with Stevens' department." In my opinion, we need a public forum where any concerned York Peel resident like myself can ask questions

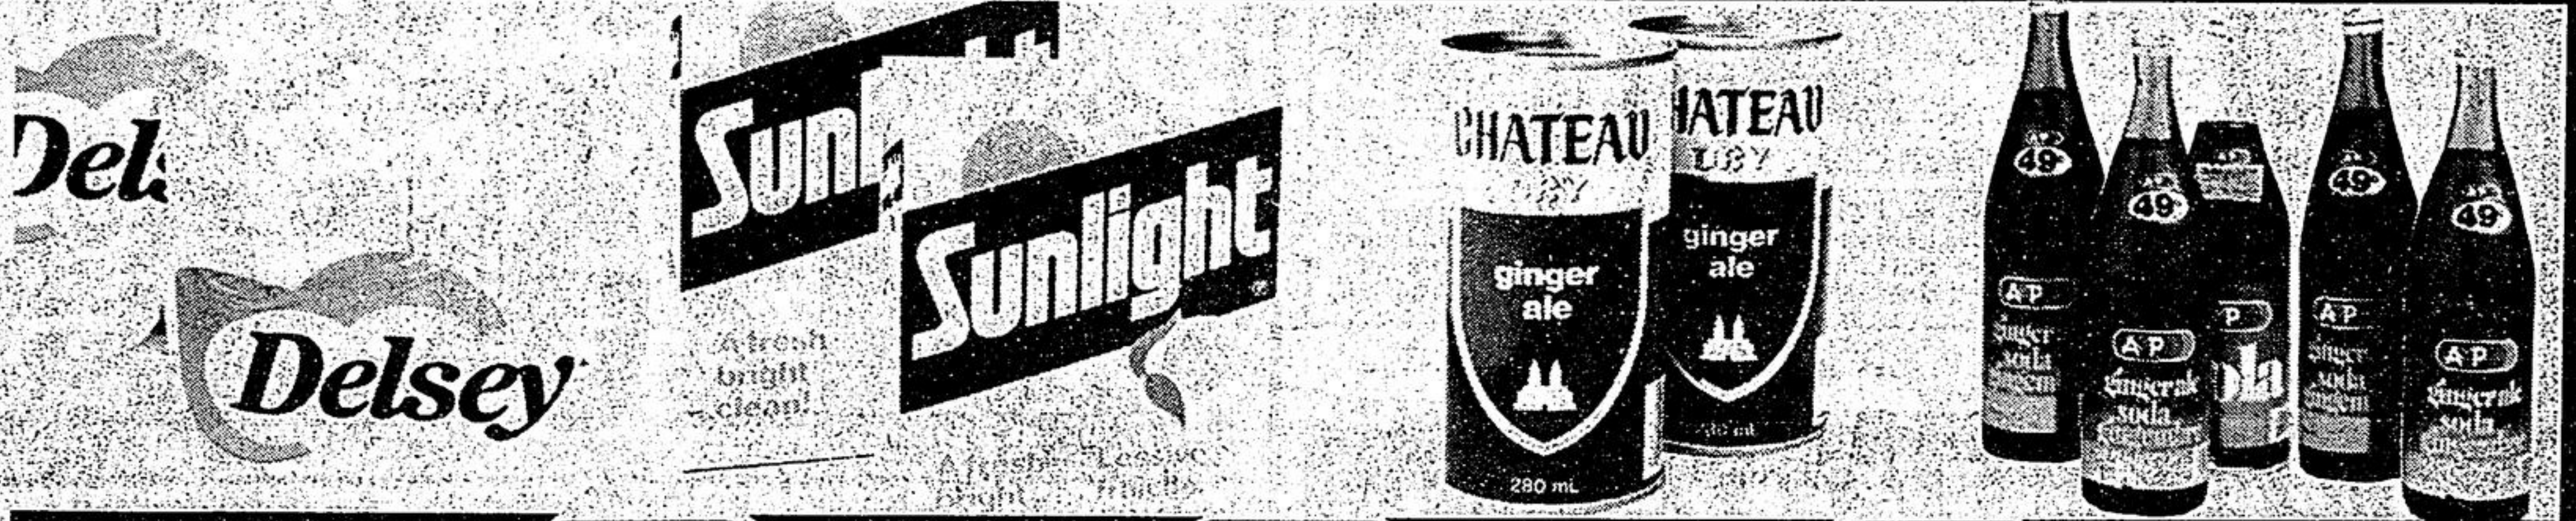

directly to Mr Stevens, and attempt to obtain a full and complete explanation of each of these events. This forum should be held in the next two weeks, in the area of Aurora or Newmarket. I would perhaps suggest that the community newspapers of York

Peel band together to sponsor this event.  
Sincerely,  
Keith Carson,

P.S. I'd like to hear others' concerns and ideas on how to find answers.
