

**Three rose buds**

White Rose Nurseries recently donated six rose bushes to Whitchurch-Stouffville. On Saturday, representatives of the Brownies, Guides and Pathfinders planted the 'gifts' at the Town Library. Three of the willing workers are (left to right) Heather Kennedy, Jennifer Goldman and Danica Constable.

**Express thanks**

Dear Mr. Thomas:  
I wish to thank you very much for judging the Literary Guild Conference at Goodwood Public School.  
For our first-ever conference, I feel it was very successful in both engendering a school-wide interest in writing and in giving our more talented writers the recognition they richly deserve.  
We are looking forward to making this an annual event.  
I wish also to express our appreciation for the fine coverage The Tribune provides all our activities.

Tessie Dempster,
