# Band exchange enjoyable for all

By CHRIS GARBUTT  
 S.D.S.S. Reporter  
 "Amazing". That was the word used by clarinetist Anita Cheng to describe the recent band-choir exchange between S.D.S.S. and Boone County High School, Flor-

ence, Kentucky. The description was echoed by other members of the band and choir. It was the first weekend in May that the band from Boone County H.S., visited Stouffville. Many new friends were made.

These acquaintances were renewed on the return trip. The 10-hour overnight bus ride had its ups and downs but the weary were rewarded at the end of their journey with a day at King's Island Amusement Park in Cincinnati. Musical talents were displayed at two concerts. One was a public school performance and the other formed part of a High School Spring Concert. Initially, the two bands played separately. Later they joined forces. The sound created can best be described as stupendous. Members were accorded a standing ovation.

In appreciation of the hospitality, the Boone County band was presented with a drawing by S.D.S.S. Art teacher, Mr. Roberts.

On the band's return, the musicians were very tired but not so tired they couldn't perform at the annual Spring Concert in the Markham Theatre. For those unable to attend, the band will wind up its 'world tour' with a concert in The Forum at Ontario Place, Friday, June 6 at 11 a.m.

In happenings closer to home, the second annual Fitness Challenge will be held at S.D.S.S. Monday, May 26. Ten schools are expected to participate, in this test of strength and stamina.

The lunch-time floor hockey league is nearing an end. The playoffs are scheduled for next week. The floor hockey all-star game is Thurs., May 29.
