CENTURY 21 ARMOUR REAL ESTATE OFFICES INCREASE RECORDS

Real Estate sales are up, with some real estate agencies reporting large sales volume increases. When we checked our figures against our last year's performance we were very pleased with how well we have done.

It proves to us that more people than ever before trust and use the Century 21 Armour system for all their real estate needs. The large increases in volume also point out that Markham and Unionville are exceptionally active markets for new buyers and people trading up.

We believe these increases indicate the high success rate Century 21 Armour has in handling your real estate needs. If you are purchasing your first home or considering trading up, now is a good time to call in a neighbourhood professional from the Century 21 Armour office nearest you.

Our experience locally is your assurance of a successful and rewarding business transaction. So call us today, we know we can be of service to you.

YOU SAID IT!

"CENTURY 21 ARMOUR, YOU'RE NUMBER ONE"

DOUG MEHARG, PRESIDENT OF CENTURY 21 ARMOUR REAL ESTATE INC., REPORTS THAT NOT ONLY HAVE THE MARKHAM AND UNIONVILLE OFFICES REACHED RECORD SALES LEVELS THIS YEAR BUT THEY HAVE MET AND SATISFIED MORE CLIENTS THAN EVER BEFORE. HE SHARES HIS COMMENTS IN THE FOLLOWING LETTER.

Doug Meharg, obviously beaming with pride discusses the successful sales records of the last few months with Sue Meadows, Markham office manager, and Joyce Spensley, Unionville office manager.

Dear Neighbour:

Every year we receive scores and scores of phone calls and letters telling us how great we are, how our service is the best and how pleased you are with our professional approach to handling real estate transactions.

All successful real estate transactions are the result of a "partnership" between agent and client so most all of the comments received specify the agent involved. I want to share with you many of these pleasing and encouraging comments. They appear in the following pages of this news insert.

I personally extend my heartfelt thanks and appreciation to all of my associates at Century 21 Armour. It is your individual efforts with our valued clients that makes us all proud to be part of the Century 21 Armour team.

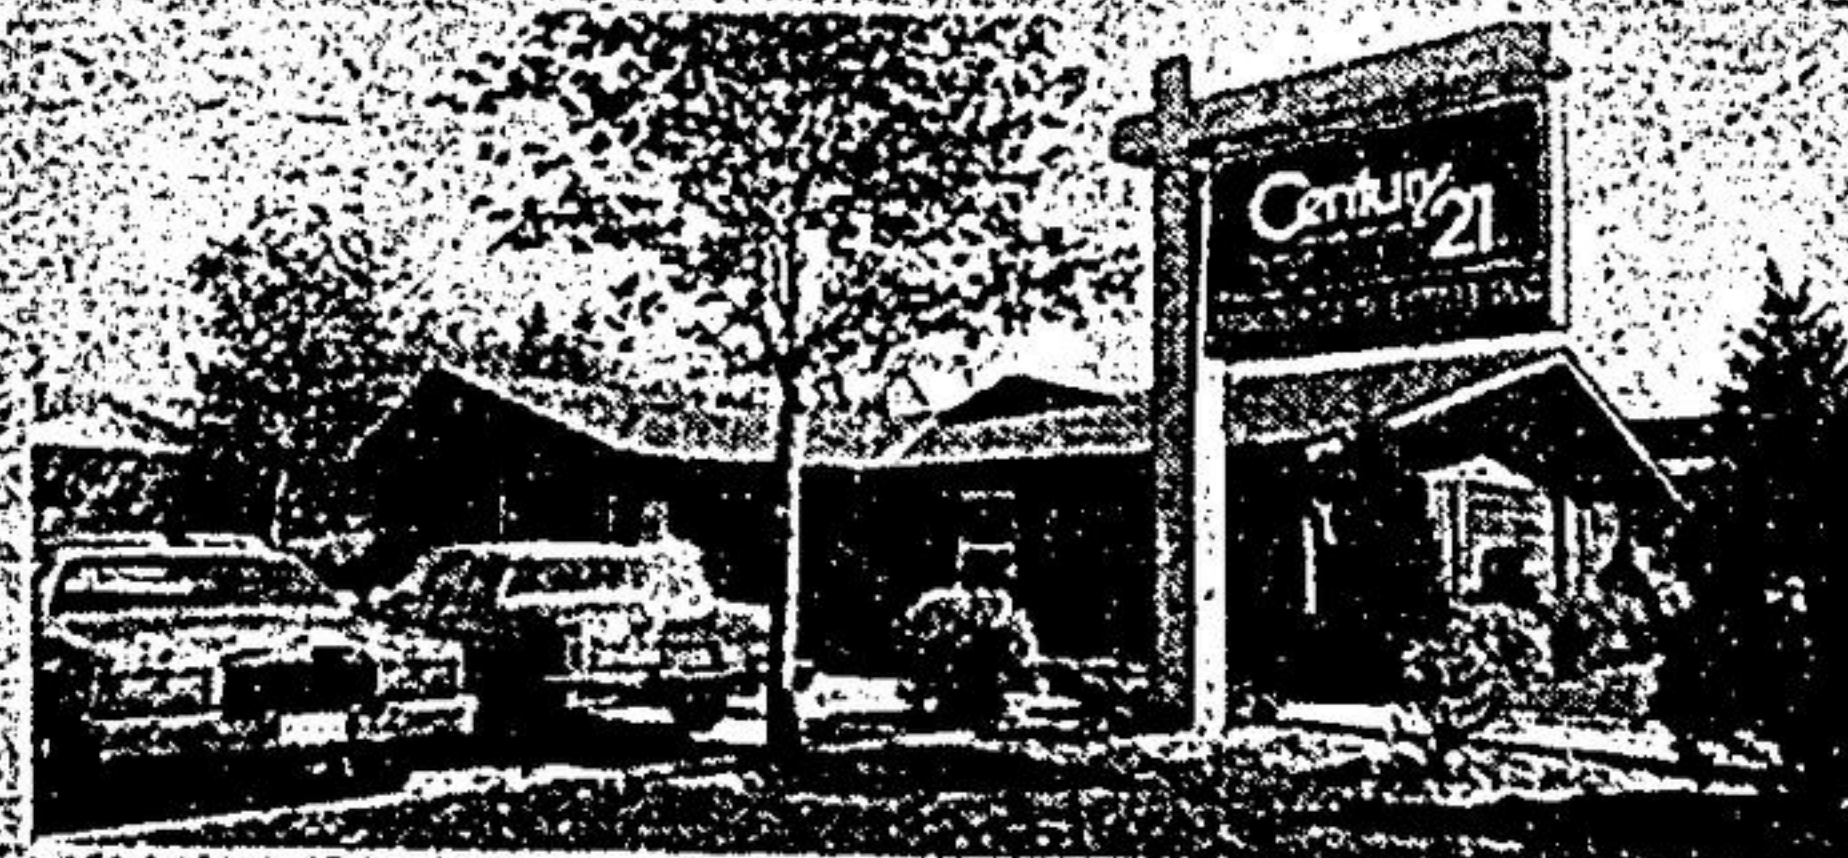

Keep up the good work team! You know you'll always be number one with me.

With warmest regards and wishes for continued success.

Douglas Meharg
