Honeymooners head for camp

Weddings are great fun, especially if you're heading off on a honeymoon you've been looking forward to.

Linda Thibault and Dean Robinson of Lindsay were recently married and both attended one of Ontario's March of Dimes camps a few summers ago.

As newlyweds, they're looking forward to a few special weeks together this summer to properly launch their married life.

These camps provide a holiday in the sun for many people who are in total-care facilities and rarely get a recreational break outdoors. They're great for couples who might never otherwise get a chance to vacation together.

The Ontario March of Dimes is only able to provide these important services through donations and grants.

York Region will be canvassed

by mail during the summer campaign which began June 1. Mail date is June 13.

The goal of the campaign is to raise \$300,000. The summer campaign will become an annual one as is the Ability Fund Campaign held in January.

Donations can be sent to Summer Campaign, Ontario March of Dimes, 60 Overlea Blvd., Toronto, Ontario, M4H 1B6.
