

Summer coolers

WHITCHURCH—Swimming is the perfect antidote to a hot, muggy day. And again this summer the Metropolitan Toronto and Region Conservation Authority (MTRCA) offers several aquatic sites, including one in Whitchurch-Stouffville.

Bruce's Mill, located on the south side of Stouffville Road between Kennedy Road and Warden Avenue, is one of several conservation areas now open for swimming weekends from 10 a.m. to 8 p.m.

Other MTRCA facilities include Greenwood in north Pickering and Heart Lake, on Heart Lake Road six kilometres north of Hwy. 7.

According to a news release, these areas feature clean, supervised lakes and beaches, change rooms and refreshment facilities.

Bruce's Mill, Greenwood and Heart Lake will be open daily beginning Monday, June 23.

Pickering's Petticoat Creek — located on White's Road south of Hwy. 401 — is open to the public weekends from 11 a.m. to 8 p.m. Starting June 23, weekday hours are noon to 8 p.m.

For more information about swimming and other MTRCA recreational facilities contact 661-6600.

Music Mania coverage excellent, says reader

Dear Editor:

Your photo coverage of Music Mania was excellent. The show has become a town 'institution'. I hope it will always remain in Stouffville. I'm afraid it will lose its community flavor if moved to Markham. 'Community' is what Music Mania is really all about.

With the many thousands of dol-

lars raised over the past 25 years, it's unfortunate a fund hadn't been set up for the purchase of much-needed equipment. Certainly, the money all went to good causes but it's a shame the host organization now finds itself wanting because of its generosity.

Sincerely,

Patricia Nelson,
R.R.1, Goodwood
