## School track awards

STOUFFVILLE — Athletic awards were presented to Summitview Public School students last Wednesday.

Several of the students won awards for both in-school and regional athletic achievements.

Dayle Lewis, Baron Ellis, Todd Stover and Michelle Hofstee were all presented with athletic letters in recognition of outstanding performance throughout the school year.

A presentation was also made to the Summitview atom girls track and field team for their first place finish at the Regional Relay Meet, held at Unionville High School in May, and in the Area 2 Track Meet held in Aurora. The

pennants won by these girls will be displayed in the auditorium at Summitview.

Students also received trophies for achieving the highest individual points in track and field within their school. These students are: Jason Reesor and Kristina Schwartz (tyke), Tanya Couperthwaite and Derek Harrison (atom), Stephen Fockler and Julie Sanford (junior) and Michelle Hofstee, Joel Clark and Baron Ellis (intermediate).

Mr. Shepherd's class was honored as school meet winner for overall participation in the school track and field meet.

Air conditioning that saves you money.

A heat pump is a central air conditioning system and dehumidifier as well as a heating system — so efficient in winter that, added to a standard efficiency gas or oil furnace, it actually reduces your heating bills.

So when you're thinking about air conditioning this summer, why not have air conditioning that reduces your heating bills as well?
