Plant borders Hwy. 404

Suzuki Canada Inc., has selected Richmond Hill as the location for its new head office and parts warehouse.

The 110,000 square foot facility will be located on a 6.4 acre site in the Beaver Creek Industrial Park, near the intersection of Hwys. 7 and 404.

Construction is expected to start in late August and be completed by the end of this year.

This particular site was selected because of its excellent location and easy access to all major roads and highways, according to Rick Suzuki, President of Suzuki Canada Inc.

The new multi-million dollar building, three times the size of the existing location in Downsview, will accommodate the company's automotive, motorcycle and outboard motor divisions.

A new training facility for service personnel will be included in the development.

In 1985, product sales passed the \$93 million mark. This year, the figure is expected to exceed one hundred million dollars.

Monte Carlo Night

BALLANTRAE - The Ballantrae and District Lions Club is holding its annual Monte Carlo Night, Sat. Aug. 16 from 7 p.m. to 1 a.m., in the Whitchurch Centennial Centre.

The evening's grand prize is a trip for two to Atlantic City.

Admission is \$10 in advance; \$12 at the door. Refreshments will be served.

Receives personal attention

Eighteen-year-old Kathy Norsworthy was one of several 4-H Sheep Club members to participate in competition at Sheep Focus '86, Saturday, at Markham Fairgrounds. Committee member Diane Ward of Whitchurch-Stouffville described the event as "fantastic".
