

### Charity bounce

One, two, three... these fitness enthusiasts are preparing for the Third Annual Aerobathon to be held at Markham's Mayfair Racquet Club. Funds raised from the upcoming event, scheduled for Sunday, September 7, from 11 a.m. to 3 p.m., are to be donated to CKEM's Children's Fund in support of the Hospital for Sick Children. A minimum \$20 pledge is required in order to participate. There will also be draws held throughout the day with the grand prize being an all expense-paid trip for two to Las Vegas. For more information call 475-0350.

### GMI grad

Markham's Craig Evans was among more than 400 graduates from Fint, Michigan's GMI Engineering and Management Institute last month.

Craig, son of Roy and Lila Evans of Markham, earned a bachelor of science degree in mechanical engineering under the sponsorship of the General Motors Oshawa plant.

With a student enrollment of nearly 3,000, GMI Engineering and Management Institute is America's only accredited college of engineering and management.

Founded in 1919, GMI was a part of the General Motors Corporation until 1982.
