

# Girls win gruelling tourney

Despite bad weather conditions and a gruelling schedule against higher calibre teams, Unionville's 18 Karat slo-pitch ladies captured a tourney championship last weekend.

The squad was placed in the 'C' Division by Slo-Pitch Ontario at the beginning of the year, but played against higher-rated 'B' teams in the Hamilton competition.

The locals fell behind 6-0 at the start of their first contest against Garfields of Hamilton, but came back to win 7-6 on the strength of Ann Holden's grand slam home run.

On the same day Unionville downed another Hamilton team 10-3 and beat an Ottawa troop 6-3.

But severe weather brought about the cancellation of the girls' fourth game, forcing them to play four games in succession the next day.

The ladies breezed through two of them, then took a semi-final game 4-3, with Jill Graham supplying the game-winning heroics.

In the tournament final against the Black Widows of Hamilton, Unionville fell behind early and trailed 7-1 after only two innings.

The locals netted two runs in both the third and fifth, narrowing the gap. In the seventh, Theresa Sheehen smashed a two-out, two-strike triple to drive in two runs and Unionville grabbed an 8-7 lead.

Strong pitching by Kelly Reece pulled the locals out of a jam in the eighth frame after the Widows loaded the bases with none out.

Second-baseman Anne Wagner gunned down two Hamilton runners at the plate to help get Unionville out of the inning.

It wasn't until the 10th inning that the girls, after some timely hitting by Janice McCann, Sandy Ramer and Shanna Lyons, connected for two scores to wrap up the game and the tournament championship.

Molson's presented the winners with a cash prize, bags and a team trophy in what was their first 'B' division win. Wagner captured the most valuable player award.
