**LIGHT ASSEMBLY
FASHION JEWELLERY**

We are growing and need at least 15 people to help us in the following areas:

- Finished goods, sorting and counting
- Packing/shipping department • Light assembly
- Job "runner"/clean up

Good salary; no experience necessary but applicants must be able to read English.

Apply in person to start: 3415 14th Avenue, west of Warden near Alden and Hood Road. (24D bus from Victoria Park and Steeles).

The Town of Markham is now accepting applications for the following positions in the Building Department:

Building Inspector

In this capacity, you will inspect and report with regard to buildings and structures of every degree of complexity, including Part III of the Ontario Building Code, and issue appropriate orders upon findings of by-law contraventions, in accordance with established procedures. In addition, you will make recommendations, judgements and evaluations in accordance with department policy and degree of experience relative to the matter in question. You possess a high school graduate level of education and several years' experience with design office and field experience in this or a similar position. Your skills in architectural or structural technology, as acquired through a community college course (O.A.C.E.T.T., M.A.A.T.O., etc.) or equivalent, and a working knowledge of the Ontario Building Code and other applicable legislation are essential.

Mechanical Plan Examiner

Your principal responsibilities in this role will be to examine and review heating, ventilating and air conditioning plans, specifications and calculations, as well as design data for buildings covered under the Ontario Building Code regulations. You may also be required to carry out field inspections.

Mechanical Inspector

Under this title you will inspect heating, ventilating and air conditioning systems in new building projects, as well as the alterations and revisions to existing ones. This will be performed on a routine basis during the construction period and in accordance with plans, specifications, agreements and department policy. You will also initiate legal proceedings involving contractors and property owners in violation of the Ontario Building Code or municipal by-laws.

To qualify for the position of Mechanical Plan Examiner or Mechanical Inspector, you require a high school graduate level of education in addition to your specific skills in mechanical technology, as acquired through a community college course, C.E.T. or equivalent. Several years' with a design office or field experience in this or a similar position, along with a working knowledge of the Ontario Building Code are also required.

The salary range for each of the above positions is between \$26,668 and \$32,895 per annum. Please submit your resume on or before August 27, 1986 to: Department of Human Resources, The Town of Markham, 8911 Woodbine Avenue, Markham, Ontario L3R 1A1.
