

Thomson Court celebrates its 10th anniversary

By ADA ALLEN

Nothing great was ever accomplished without enthusiasm (our administrator Shirley Burchell is chuck full of it). She is also a walking computer. That is just one of the reasons why Thomson Court — a seniors' apartment building is so great in the Town of Markham.

What I'm getting around to is a very special day coming in September — on Sunday, Sept. 21 from 2 to 5 p.m.

We will be celebrating our 10th anniversary in Thomson Court. There will be special guests under the canopy who will bring greetings and then a garden party on the lawns with refreshments served by the women of St. Andrew's United Church for guests, tenants, their families and friends. Everyone is welcome to come and share this day with us. All former board members are invited back to join the celebration.

The rain in Spain may mostly be on the plains, but the rain in Markham pelts everyone and usually on the weekend. Weathermen this is such an important day for us — have pity!

But rain, shine or humidity it's great to be an enthusiastic senior to bask in so much consideration and respect and to be on the receiving end of so many planned activities.

Some of us may wish we could fling away a few years, there is so much to see, learn and to enjoy all the new technologies in this generation. We would like to retain or recapture that old enthusiasm.

So come on down Sunday, Sept. 21 and help us celebrate from 2 to 5 p.m.
