

"Girl Next Door"

# Kim loves softball

By JIM THOMAS  
**WHITCHURCH** — Every morning Monday through Friday, Kim Murray stands at the crossroads of a well-rounded secondary school education.  
 Because she lives near the intersection of the Vandorf and Kennedy Roads, several buses pass by daily, all headed in different directions. However, Kim's happy she made Aurora High her school home.  
 "It has a good name," she says, "graduates are well prepared for university."  
 Kim's our "Girl Next Door."  
 A year from now, Kim will put her academic skills to the test when she enrolls at Queen's. She hopes to take a course related to Math or Science, two of her best subjects. She also enjoys Chemistry.  
 While activities at Aurora High occupy much of her time, Kim recalls with attachment her years spent at Whitchurch-Highlands. It was there she learned to play the trombone, a talent that has extended to the Stage Band and the Senior Band at A.H.S. She's also a member of the Red and Gold Society, an organization that participates in extra-curricular activities both in the school and the community.  
 Kim's had a busy summer. She held down the third base "hot spot" on the Vandorf Bantam Girls fastball team and was employed on the staff of the Burlington Golf and Country Club. She still works there weekends.  
 Several years ago, Kim enjoyed a trip to England and Sweden. While a student in Grade 10, she participated in a three-month French exchange to Quebec.  
 Kim speaks highly of her parents, Paul and Anne, also Alex, a much-loved aunt living in Hamilton. "We've grown closer as we've grown older," she says.  
 Kim has one brother, Christopher, 14, and a beautiful golden retriever called "Shandy." Together, they make for a happy home.

Eighteen-year-old Kim Murray, Kennedy Road, R.R. 4, Stouffville, handled the third base "hot spot" for the Vandorf Bantam Girls team this season. She enjoys the game. She also speaks well of Aurora High where she's a student in Grade 13.

## Forty happy customers

By JIM THOMAS  
**BLOOMINGTON** — Thirteen-year-old Jennifer Brain of Thornbay Drive, Bloomington, has her sights set on a college career.

While still a few years down the road, (she's a Grade 8 student at Whitchurch-Highlands School), Jennifer's savings account is growing steadily thanks to receipts from a Tribune delivery route.

She has 40 customers in an area that includes Thornbay Drive, Knights Place, Castle Gate, the Ninth Line and Green Gables Manor.

Most weeks she walks. On occasions, when the weather's bad, her mother takes her by car; brother Michael helps too.

Jennifer and her family moved to Bloomington from Ravenshoe, (near Keswick), last February.

An extremely pleasant girl, Jennifer says she knows many of her customers through friends attending the same school. Softball and reading are favorite past-times.

Thirteen-year-old Jennifer Brain of Thornbay Drive, Bloomington, is a Tribune carrier with 40 satisfied customers. Jennifer's saving up for college. She's presently a Grade 8 student at Whitchurch-Highlands School.
