

# Unionville resident elected to Toastmasters' executive

Vince DaCosta, founder of Markham's Toastmaster Club, was recently elected to the board of directors of Toastmasters International at a convention in Reno, Nevada.

Every year, nine directors are elected from candidates across Canada, the United States, England, Australia, New Zealand, South Africa, the Philippines, etc.

Mr. DaCosta, a Unionville resident, will be part of the team making policy decisions and providing direction for the largest non-profit educational organization of its kind in the world.

Toastmasters International teaches people to speak, to communicate and to succeed.

"Whatever your goals may be, your success in life depends upon

your ability to speak," said Mr. DaCosta. "People who can verbalize their ideas so that they can be heard, understood and acted upon possess one of the most important qualities of life."

He noted that Toastmasters International provides the tools that enable people to develop this skill.

"In Toastmasters, you learn by doing — by actually speaking to groups," said Mr. DaCosta. "You learn in an atmosphere of understanding and friendship, not in a cold classroom. The program is an ongoing series of experiences that will involve you in a variety of speaking situations."

Toastmasters International now has more than 125,000 members in 48 countries. More than two million people of all ages and occupations have participated in the program.

Mr. DaCosta, 55, is also president of Vince DaCosta and Associates Inc., which specializes in the design and delivery of management training programs.

He has conducted seminars at York University, Air Canada, TransCanada Pipelines, Loblaws, State Farm Insurance and many other large corporations.

AND IN THE MATTER OF THE LAND AND PREMISES KNOWN MUNICIPALLY AS 109 MAIN STREET, UNIONVILLE, PART OF LOT 21, REGISTERED PLAN 401, IN THE TOWN OF MARKHAM, IN THE PROVINCE OF ONTARIO.

### NOTICE OF INTENTION TO DESIGNATE

TAKE NOTICE THAT the Council of the Corporation of the Town of Markham intends to designate the property, including lands and buildings, known municipally as 109 Main Street, Unionville, Part of Lot 21, Registered Plan 401, as a property of architectural and/or historic interest or value under Part IV of The Ontario Heritage Act, R.S.O. 1980, Chapter 337

Short Statement of the Reasons for the Proposed Designation:

The dwelling located at 109 Main Street, Unionville, Part of Lot 21, Registered Plan 401, is recommended for designation for its historical and architectural significance.

Built in 1897 as an Evangelical Lutheran Church parsonage for the Bethesda and St. John's congregations, the building is considered to be the craftsmanship of local carpenter and builder George Robinson. The two storey, frame building, with bay windows and a quatrefoil in the street-facing gable, contributes to the predominately late Victorian residential character of Unionville's Main Street, south of the railway. Dated at the Town of Markham this 3rd day of September, 1986.

Gary F. Roseblade, C.M.O., C.M.C.,  
Town Clerk.

Published a second time this 10th day of September, 1986.
